Subject: **Magellanic Cloud Announces Readiness of UAV Facility Premises (Counter Drone) Under Joint Venture**

Respected Sir/Madam,

We are pleased to inform you that the premises for the advanced Unmanned Aerial Vehicle (UAV) manufacturing and testing facility under the Company's joint venture, MCRAY XTEND INDIA PRIVATE LIMITED ("MCRAY"), are ready. The deployment of production and testing capabilities and the commencement of commercial operations are planned in phases.

The facility is designed to support end-to-end manufacturing, assembly, system integration, high-precision testing and distribution of advanced tactical drone systems powered by XTEND's proprietary XOS autonomy platform.

The Company holds a 60% equity stake in MCRAY, which is a joint venture established in collaboration with Rayonix Tech and Israel-based XTEND. This development marks an important step in the Company's strategic expansion into the defence and security sector and strengthens its focus on UAV manufacturing and autonomous technologies.

The aforesaid development is in the ordinary course of business of MCRAY and is aligned with its business objectives in the areas of defence technology, drone manufacturing and autonomous systems.

The Company remains committed to leveraging advanced technologies and manufacturing capabilities to address emerging opportunities in the defence, surveillance and critical infrastructure sectors, in alignment with the objectives of *Make in India* and *Aatmanirbhar Bharat*.

The Company will keep the Stock Exchanges informed of any further material developments in this regard, in accordance with applicable regulatory requirements.

Thanking You,
Yours Faithfully,
For Magellanic Cloud Limited
