Magellanic Cloud Strengthens BFSI Growth Momentum – IVIS Secures Second Pan-India Order from Capri Global Capital

Magellanic Cloud Limited (NSE: MCLLOUD | BSE: 538891) today announced that its wholly owned subsidiary, **IVIS International Private Limited**, has received its **second Purchase Order from Capri Global Capital Limited** for the deployment of its **Integrated E-Surveillance & Vault Operation Solution** across additional sites on a **pan-India basis**.

The repeat order further strengthens IVIS's relationship with **Capri Global Capital Limited** and reflects continued confidence in its technology, nationwide deployment capabilities and managed e-surveillance services. The order expands the existing engagement by adding additional sites to IVIS's growing portfolio of **BFSI deployments**.

Strengthening BFSI & E-Surveillance Momentum

- **Second Purchase Order from Capri Global Capital:** The latest order expands the Company's existing engagement with Capri Global Capital Limited.
- **Pan-India Deployment:** IVIS will deploy its Integrated E-Surveillance & Vault Operation Solution across additional sites on a pan-India basis.
- **Growing BFSI Portfolio:** The repeat order further strengthens IVIS's presence across banks and financial institutions.
- **Continued Customer Confidence:** The second order demonstrates continued confidence in IVIS's technology, execution capabilities and managed surveillance solutions.

Management Commentary

Commenting on the development, **Mr. Joseph Sudheer Thumma, Chairman & Managing Director, Magellanic Cloud Limited**, said:

"Receiving a second Purchase Order from Capri Global Capital is a strong endorsement of IVIS's technology and execution capabilities. The expansion of our engagement across additional sites further strengthens our presence in the BFSI segment and demonstrates our ability to deliver scalable, technology-driven surveillance solutions on a pan-India basis. We remain focused on deepening existing customer relationships while expanding our portfolio of institutional deployments."
