Magellanic Cloud Enters AI Smart Fuel Infrastructure Market with Nayara Energy Limited Contract

Subsidiary Provigil Surveillance Deploys AI Video Analytics & Vehicle-to-Dispense Automation Across Outlets & Oil Depots

HYDERABAD, INDIA — September 20, 2026: Magellanic Cloud Limited (NSE: MLCLOUD | BSE: 538891) today announced its strategic expansion into the AI smart fuel and retail automation sector. Its wholly owned subsidiary, Provigil Surveillance Limited, has received a purchase order valued at **₹44.60 Lakh** (Rs. 44,60,400/-) from Nayara Energy Limited to implement an advanced AI-powered Automatic Number Plate Recognition (ANPR) and Video Analytics Platform across selected Retail Outlets and Oil Depots.

Key Transaction Highlights

- **Strategic Market Entry:** Marks Magellanic Cloud's entry into India's high-growth multi-billion-dollar AI fuel retail automation and enterprise surveillance market.
- **Contract Value:** Executed at ₹44.60 Lakh (Rs. 44,60,400/-), strengthening the company's order book in AI-powered video analytics.
- **End-to-End AI Automation:** Integrates computer vision directly with forecourt dispensing infrastructure, delivering automated vehicle-to-dispense validation, security monitoring, and depot safety MIS reporting.
- **High Scalability:** Positions Provigil Surveillance to capture further market share as energy majors digitize retail outlets and oil depots nationwide.

Market Growth & Order Expansion Potential

This initial deployment serves as a strategic launchpad for Magellanic Cloud to capture significant market share across India's rapidly digitizing fuel retail ecosystem. Successful execution with Nayara Energy creates a proven, scalable operational blueprint to target nationwide rollouts across thousands of private and public sector oil marketing company (OMC) outlets and distribution depots. By establishing a strong early footprint in AI-powered forecourt automation, Provigil Surveillance is uniquely positioned to unlock high-value, recurring order pipelines and long-term tech-upgrade contracts across the multi-billion-dollar smart energy infrastructure market.

Management Commentary

Mr. Joseph Sudheer Reddy Thumma, Chairman & Managing Director, Magellanic Cloud Limited, said:

"Securing this contract with Nayara Energy is a major operational milestone for Magellanic Cloud as we expand our AI surveillance capabilities into the high-growth energy retail sector. As oil marketing companies accelerate forecourt digitization, our AI video analytics provide the exact infrastructure needed for loss prevention and efficiency. This order positions us well to scale across a high growth vertical."

About Magellanic Cloud Limited

Magellanic Cloud Limited (NSE: MLCLOUD | BSE: 538891), headquartered in Hyderabad, India, is a global technology company specialising in digital transformation, Generative Artificial Intelligence (AI), cloud computing, e-surveillance, and drone technologies.
