## **Medanta Strengthens its NCR Footprint with a 550-Bed Super Speciality Hospital in Noida**

- **Hon'ble UP Chief Minister Yogi Adityanath ji formally inaugurates new facility**
- **200+ doctors at new hospital to deliver world-class care in 25+ super specialties**

**Noida, November 27, 2025:** Medanta, one of the largest private multi-speciality tertiary and quaternary care providers operating in the North and East regions of India, formally launched its new state-of-the-art 550-bed super speciality hospital in Noida, marking a major expansion of its presence in the National Capital Region and Uttar Pradesh.

The new facility was inaugurated on November 27, 2025 by **Hon'ble Chief Minister of Uttar Pradesh, Yogi Adityanath ji**, who was the Chief Guest at the launch ceremony and commended Medanta for bringing advanced, world-class medical care closer to the people of Noida and Western Uttar Pradesh.

Strategically located in Sector 50, Noida and boasting direct connectivity with the Metro network, the new hospital is well positioned to serve patients across Delhi-NCR and the underserved regions of Western Uttar Pradesh. It will deliver comprehensive tertiary and quaternary care across 25+ super specialties including Cardiology, Oncology, Neurosciences, Gastroenterology, and Orthopaedics, among others. The facility comes equipped with 130+ ICU beds and 16 Operating Theatres. The hospital has 200+ experienced doctors who have already been onboarded, and will create 5000-7000 employment opportunities.

**Dr. Naresh Trehan, Chairman & Managing Director, Medanta**, said, *"The inauguration of Medanta Noida is a significant milestone in our mission to deliver world-class, patient-centric healthcare. In continuation with our doctor-led model, this hospital brings the finest medical technology and advanced infrastructure together under one roof, driven by skilled and experienced clinicians. With its strategic location and comprehensive capabilities, the facility will play a crucial role in expanding access to quality tertiary and quaternary care for communities across Delhi-NCR and Western Uttar Pradesh, embodying the Medanta ethos – 'Har Ek Jaan Anmol' (Every Life Is Invaluable)."*

Medanta Noida houses some of the most advanced medical technologies available today, such as the Da Vinci XI Robotic Surgery System, Artis Icono Biplane Cath Lab – the most advanced HD 3D image guidance for Neurovascular and Cardiac interventions for TAVR, Varian Edge TruBeam Radiosurgery for Cancer Treatment, O-Arm Imaging System for real time imaging during surgical procedures, and world-class diagnostic imaging systems including 3 Tesla MRI, 256 Slice Dual Source CT Scanner, PET Scan, and Gamma Camera.

Highlighting the importance of expanding healthcare services in Delhi-NCR, **Mr. Pankaj Sahni, Group CEO, Medanta**, said, “Today’s launch reflects Medanta’s commitment to strengthening healthcare delivery where the need is growing rapidly. Noida and the larger Western UP region have long required high-end, dependable, and accessible medical care—and this state-of-the-art hospital directly addresses that gap. With a strong clinical team, cutting-edge medical technology, and a future-ready infrastructure, Medanta Noida is built to set new benchmarks in patient outcomes and medical excellence for years to come.”

#### **About Global Health Limited (Medanta):**

Founded by Dr. Naresh Trehan, a world-renowned cardiovascular and cardiothoracic surgeon who has been awarded the prestigious Padma Bhushan and the Padma Shri, the third- and fourth-highest civilian awards in India, and the Dr. B.C. Roy Award in recognition of his distinguished contribution to medicine.

Global Health Limited (the “Company”) is one of the largest private multi-speciality tertiary care providers operating in the North and East regions of India, with key specialties cardiac science, neurosciences, oncology, digestive and hepatobiliary sciences, orthopedics, liver transplant, and kidney and urology, according to the report titled “An assessment of the healthcare delivery market in India, September 2022” by CRISIL Limited.

Under the “Medanta” brand, the Company has a network of six hospitals currently in operation (Gurgaon, Indore, Ranchi, Lucknow, Patna and Noida). Spanning an area of 5.6 million sq. ft., its operational hospitals have 3,435 installed beds as on September 30, 2025. It also has four upcoming hospitals in Mumbai, Pitampura - New Delhi, South Delhi and Guwahati. The Company provides healthcare services in over 30 medical specialties and engages over 2,150 + doctors led by highly experienced department heads.
