12. RECORD DATE AND SHAREHOLDER ENTITLEMENT

12.1. As required under the SEBI Buyback Regulations, the Company has fixed Friday, November 20, 2026 as the Record Date for the purpose of determining the entitlement and the names of the shareholders, who are eligible to participate in the Buyback.

12.2. As per the SEBI Buyback Regulations and such other circulars or notifications, as may be applicable, in due course, each Eligible Shareholder will receive the Letter of Offer along with the tender form indicating the entitlement of the Eligible Shareholder for participating in the Buyback.

12.3. In accordance with the SEBI Buyback Regulations, the dispatch of the Letter of Offer shall be through electronic mode only, within 2 (two) working days from the Record Date. If the Company or the Registrar to the Buyback i.e. MUFG Intime India Private Limited (Formerly Link Intime India Private Limited), receives a request from the Eligible Shareholder to receive a copy of the Letter of Offer in physical form, the same shall be provided.

12.4. The Equity Shares to be bought back as a part of the Buyback are divided into 2 (two) categories:

(i) Reserved category for Small Shareholders (defined hereinafter); and

(ii) General category for all other Eligible Shareholders.

12.5. As defined in Regulation 2(i)(n) of the SEBI Buyback Regulations, a "small shareholder" is a shareholder who holds equity shares having market value, on the basis of closing price on the stock exchange having highest trading volume as on the Record Date, of not more than ₹ 2,00,000/- (Indian Rupees Two Lakhs only).

12.6. In accordance with the proviso to Regulation 6 of the SEBI Buyback Regulations, 15% of the number of Equity Shares which the Company proposes to buyback or such number of Equity Shares entitled as per the shareholding of Small Shareholders as on the Record Date, whichever is higher, shall be reserved for the Small Shareholders as part of this Buyback.

12.7. Based on the shareholding on the Record Date, the Company will determine the entitlement of each Eligible Shareholder including Small Shareholders to tender their Equity Shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such shareholder belongs. The final number of Equity Shares which the Company will purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered. Since the Promoters and Promoter Group and persons in control of the Company have declared their intention to not participate in the Buyback, the Equity Shares held by them shall not be considered for the purposes of computing the entitlement ratio, in accordance with the proviso to Regulation 4(iv)(a) of the SEBI Buyback Regulations. In accordance with Regulation 9(ix) of the SEBI Buyback Regulations, in order to ensure that the same Eligible Shareholder with multiple demat accounts/ folios does not receive a higher entitlement under the Small Shareholder category, the Company will club together the Equity Shares held by such Eligible Shareholder with a common Permanent Account Number ("**PAN**") for determining the category (Small Shareholder or General Category) and their entitlement under the Buyback. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of Eligible Shareholders holding physical shares, where the sequence of PANs is identical, the Company will club together the Equity Shares held in such cases. Similarly, in case of physical shareholder where PAN is not available, the Company will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, pension funds, trusts, insurance companies, foreign institutional investors/ foreign portfolio investors etc. with common PAN will not to be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes/ sub-accounts and have a different demat account nomenclature based on information prepared by the registrar and transfer agent to the Buyback ("**Registrar**") as per the shareholder records received from the depositories. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body – broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

12.8. After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in the other category.

12.9. The participation of Eligible Shareholders in the Buyback is voluntary. Eligible Shareholders holding Equity Shares of the Company can choose to participate and get cash in lieu of shares to be accepted under the Buyback or they may choose not to participate. Eligible Shareholders holding Equity Shares of the Company may also accept a part of their entitlement. Eligible Shareholders holding Equity Shares of the Company also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any. If the Buyback entitlement for any Eligible Shareholder is not a round number, then the fractional entitlement shall be ignored for computation of Buyback entitlement to tender Equity Shares in the Buyback. The acceptance of any Equity Shares tendered in excess of the Buyback Entitlement by the Eligible Shareholder shall be in terms of procedure outlined herein. In case any Eligible Shareholder or any person claiming to be an Eligible Shareholder cannot participate in the Buyback Offer for any reason, the Company, the Manager and Registrar to the Buyback and their officers shall not be liable in any manner for such non-participation.

12.10. The maximum tender under the Buyback by any Eligible Shareholder cannot exceed the number of Equity Shares held by the Eligible Shareholder as on the Record Date. In case the Eligible Shareholders hold Equity Shares through multiple demat accounts, the tender through demat account cannot exceed the number of Equity Shares held in that demat account.

12.11. The Buyback from shareholders who are persons resident outside India, including the foreign portfolio investors, erstwhile overseas corporate bodies and non-resident Indian, etc., shall be subject to such approvals, if any and to the extent required from the concerned authorities including approvals from the Reserve Bank of India under Foreign Exchange Management Act, 1999, as amended, and the rules and regulations framed there under, and such approvals shall be required to be taken by such non-resident shareholders.

12.12. Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant time table will be included in the Letter of Offer which will be sent through email along with the tender form in due course to the shareholders holding Equity Shares of the Company as on the Record Date, who have their email IDs registered with the Company/Registrar and transfer agent/ depository.

12. RECORD DATE AND SHAREHOLDER ENTITLEMENT

12.1. As required under the SEBI Buyback Regulations, the Company has fixed Friday, November 20, 2026 as the Record Date for the purpose of determining the entitlement and the names of the shareholders, who are eligible to participate in the Buyback.

12.2. As per the SEBI Buyback Regulations and such other circulars or notifications, as may be applicable, in due course, each Eligible Shareholder will receive the Letter of Offer along with the tender form indicating the entitlement of the Eligible Shareholder for participating in the Buyback.

12.3. In accordance with the SEBI Buyback Regulations, the dispatch of the Letter of Offer shall be through electronic mode only, within 2 (two) working days from the Record Date. If the Company or the Registrar to the Buyback i.e. MUFG Intime India Private Limited (Formerly Link Intime India Private Limited), receives a request from the Eligible Shareholder to receive a copy of the Letter of Offer in physical form, the same shall be provided.

12.4. The Equity Shares to be bought back as a part of the Buyback are divided into 2 (two) categories:

(i) Reserved category for Small Shareholders (defined hereinafter); and

(ii) General category for all other Eligible Shareholders.

12.5. As defined in Regulation 2(i)(n) of the SEBI Buyback Regulations, a "small shareholder" is a shareholder who holds equity shares having market value, on the basis of closing price on the stock exchange having highest trading volume as on the Record Date, of not more than ₹ 2,00,000/- (Indian Rupees Two Lakhs only).

12.6. In accordance with the proviso to Regulation 6 of the SEBI Buyback Regulations, 15% of the number of Equity Shares which the Company proposes to buyback or such number of Equity Shares entitled as per the shareholding of Small Shareholders as on the Record Date, whichever is higher, shall be reserved for the Small Shareholders as part of this Buyback.

12.7. Based on the shareholding on the Record Date, the Company will determine the entitlement of each Eligible Shareholder including Small Shareholders to tender their Equity Shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such shareholder belongs. The final number of Equity Shares which the Company will purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered. Since the Promoters and Promoter Group and persons in control of the Company have declared their intention to not participate in the Buyback, the Equity Shares held by them shall not be considered for the purposes of computing the entitlement ratio, in accordance with the proviso to Regulation 4(iv)(a) of the SEBI Buyback Regulations. In accordance with Regulation 9(ix) of the SEBI Buyback Regulations, in order to ensure that the same Eligible Shareholder with multiple demat accounts/ folios does not receive a higher entitlement under the Small Shareholder category, the Company will club together the Equity Shares held by such Eligible Shareholder with a common Permanent Account Number ("**PAN**") for determining the category (Small Shareholder or General Category) and their entitlement under the Buyback. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of Eligible Shareholders holding physical shares, where the sequence of PANs is identical, the Company will club together the Equity Shares held in such cases. Similarly, in case of physical shareholder where PAN is not available, the Company will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, pension funds, trusts, insurance companies, foreign institutional investors/ foreign portfolio investors etc. with common PAN will not to be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes/ sub-accounts and have a different demat account nomenclature based on information prepared by the registrar and transfer agent to the Buyback ("**Registrar**") as per the shareholder records received from the depositories. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body – broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

12.8. After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in the other category.

12.9. The participation of Eligible Shareholders in the Buyback is voluntary. Eligible Shareholders holding Equity Shares of the Company can choose to participate and get cash in lieu of shares to be accepted under the Buyback or they may choose not to participate. Eligible Shareholders holding Equity Shares of the Company may also accept a part of their entitlement. Eligible Shareholders holding Equity Shares of the Company also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any. If the Buyback entitlement for any Eligible Shareholder is not a round number, then the fractional entitlement shall be ignored for computation of Buyback entitlement to tender Equity Shares in the Buyback. The acceptance of any Equity Shares tendered in excess of the Buyback Entitlement by the Eligible Shareholder shall be in terms of procedure outlined herein. In case any Eligible Shareholder or any person claiming to be an Eligible Shareholder cannot participate in the Buyback Offer for any reason, the Company, the Manager and Registrar to the Buyback and their officers shall not be liable in any manner for such non-participation.

12.10. The maximum tender under the Buyback by any Eligible Shareholder cannot exceed the number of Equity Shares held by the Eligible Shareholder as on the Record Date. In case the Eligible Shareholders hold Equity Shares through multiple demat accounts, the tender through demat account cannot exceed the number of Equity Shares held in that demat account.

12.11. The Buyback from shareholders who are persons resident outside India, including the foreign portfolio investors, erstwhile overseas corporate bodies and non-resident Indian, etc., shall be subject to such approvals, if any and to the extent required from the concerned authorities including approvals from the Reserve Bank of India under Foreign Exchange Management Act, 1999, as amended, and the rules and regulations framed there under, and such approvals shall be required to be taken by such non-resident shareholders.

12.12. 12. RECORD DATE AND SHAREHOLDER ENTITLEMENT

12.1. As required under the SEBI Buyback Regulations, the Company has fixed Friday, November 20, 2026 as the Record Date for the purpose of determining the entitlement and the names of the shareholders, who are eligible to participate in the Buyback.

12.2. As per the SEBI Buyback Regulations and such other circulars or notifications, as may be applicable, in due course, each Eligible Shareholder will receive the Letter of Offer along with the tender form indicating the entitlement of the Eligible Shareholder for participating in the Buyback.

12.3. In accordance with the SEBI Buyback Regulations, the dispatch of the Letter of Offer shall be through electronic mode only, within 2 (two) working days from the Record Date. If the Company or the Registrar to the Buyback i.e. MUFG Intime India Private Limited (Formerly Link Intime India Private Limited), receives a request from the Eligible Shareholder to receive a copy of the Letter of Offer in physical form, the same shall be provided.

12.4. The Equity Shares to be bought back as a part of the Buyback are divided into 2 (two) categories:

(i) Reserved category for Small Shareholders (defined hereinafter); and

(ii) General category for all other Eligible Shareholders.

12.5. As defined in Regulation 2(i)(n) of the SEBI Buyback Regulations, a "small shareholder" is a shareholder who holds equity shares having market value, on the basis of closing price on the stock exchange having highest trading volume as on the Record Date, of not more than ₹ 2,00,000/- (Indian Rupees Two Lakhs only).

12.6. In accordance with the proviso to Regulation 6 of the SEBI Buyback Regulations, 15% of the number of Equity Shares which the Company proposes to buyback or such number of Equity Shares entitled as per the shareholding of Small Shareholders as on the Record Date, whichever is higher, shall be reserved for the Small Shareholders as part of this Buyback.

12.7. Based on the shareholding on the Record Date, the Company will determine the entitlement of each Eligible Shareholder including Small Shareholders to tender their Equity Shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such shareholder belongs. The final number of Equity Shares which the Company will purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered. Since the Promoters and Promoter Group and persons in control of the Company have declared their intention to not participate in the Buyback, the Equity Shares held by them shall not be considered for the purposes of computing the entitlement ratio, in accordance with the proviso to Regulation 4(iv)(a) of the SEBI Buyback Regulations. In accordance with Regulation 9(ix) of the SEBI Buyback Regulations, in order to ensure that the same Eligible Shareholder with multiple demat accounts/ folios does not receive a higher entitlement under the Small Shareholder category, the Company will club together the Equity Shares held by such Eligible Shareholder with a common Permanent Account Number ("**PAN**") for determining the category (Small Shareholder or General Category) and their entitlement under the Buyback. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of Eligible Shareholders holding physical shares, where the sequence of PANs is identical, the Company will club together the Equity Shares held in such cases. Similarly, in case of physical shareholder where PAN is not available, the Company will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, pension funds, trusts, insurance companies, foreign institutional investors/ foreign portfolio investors etc. with common PAN will not to be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes/ sub-accounts and have a different demat account nomenclature based on information prepared by the registrar and transfer agent to the Buyback ("**Registrar**") as per the shareholder records received from the depositories. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body – broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

12.8. After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in the other category.

12.9. The participation of Eligible Shareholders in the Buyback is voluntary. Eligible Shareholders holding Equity Shares of the Company can choose to participate and get cash in lieu of shares to be accepted under the Buyback or they may choose not to participate. Eligible Shareholders holding Equity Shares of the Company may also accept a part of their entitlement. Eligible Shareholders holding Equity Shares of the Company also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any. If the Buyback entitlement for any Eligible Shareholder is not a round number, then the fractional entitlement shall be ignored for computation of Buyback entitlement to tender Equity Shares in the Buyback. The acceptance of any Equity Shares tendered in excess of the Buyback Entitlement by the Eligible Shareholder shall be in terms of procedure outlined herein.
