Dear Sir/ Madam,

Sub: Clarification on increase in volume

This is in response to the NSE email Ref. No: NSE/CM/Surveillance/12562 dated 5th December, 2022 with respect to clarification on increase in volume in the shares of the company. Please note that the Company has promptly intimated to the Exchanges of all events, information, etc. in compliance with Regulation 30 of the SEBI (LODR) Regulations, 2015, that have a bearing on the operation/performance of the company. To the best of the knowledge of the management, there is no further information/event that the Company has not announced as per Reg. 30 of SEBI (LODR) Regulations, which has a bearing on the price/volume behavior of our scrip traded recently.

Therefore, the spurt in the volume of the scrip of shares of the company is apparently market-driven and the Company has no control over the same.

We hope the above clarifies and request you to kindly take the same on your records please.

For and on behalf of Medplus Health Services Limited
