Dear Sir,

Sub: MFL Shutdown

MFL Ammonia and Urea Plants were availed emergency shutdown from April 26, 2018 due to critical naphtha inventory. Due to prevailing working capital crisis on account of issues with GST input tax credit claim / DBT subsidy claim, continuous supply of naphtha from M/s. Chennai Petroleum Corporation Limited (CPCL) could not be ensured.

The present shutdown is being utilized for completing the statutory inspection of Fired and waste heat Boilers and other maintenance activities.

Plant operations will be resumed as soon as continuous supply of naphtha is assured.

This is for your information, please.

Very truly yours,

V.M.
25/5/18.

V Muralidharan
Company Secretary
