v. c) Notwithstanding anything contained in this Public Announcement or the letter of offer, if any of the above stated documents, as applicable, are not enclosed along with the tender form, the Equity Shares tendered under the Buyback are liable to be rejected.

12. METHOD OF SETTLEMENT

Upon finalization of the basis of acceptance as per Buyback Regulations:

12.1. The Company will pay the consideration to the Company's Broker who will transfer the funds pertaining to the Buyback to the Clearing Corporation's bank account as per the prescribed schedule. For Equity Shares accepted under the Buyback, the Equity Shareholders will receive funds pay-out in their bank account from the Clearing Corporation.

12.2. The settlement of fund obligation for Demat and Physical Shares shall be affected as per the SEBI circulars and as prescribed by BSE and Clearing Corporation from time to time. For Demat Shares accepted under the Buyback, such beneficial owners will receive funds payout in their bank account as provided by the depository system directly to the Clearing Corporation and in case of Physical Shares, the Clearing Corporation will release the funds to the Shareholder Broker(s) as per secondary market payout mechanism. If such shareholder's bank account details are not available or if the funds transfer instruction is rejected by the Reserve Bank of India **("RBI")**/ bank(s), due to any reasons, then the amount payable to the concerned shareholders will be transferred to the Shareholder Broker for onward transfer to such shareholders.

12.3. The Equity Shares bought back in demat form would be transferred directly to the demat account of the Company **("Company Demat Account")** provided it is indicated by the Company's Broker or it will be transferred by the Company's Broker to the Company Demat Account on receipt of the Equity Shares from the clearing and settlement mechanism of BSE.

12.4. In case of certain client types viz. non-resident shareholders (where there may be specific RBI and other regulatory requirements pertaining to funds pay-out) who do not opt to settle through custodians, the funds pay-out would be given to their respective Shareholder Broker's settlement accounts for releasing the same to the respective Eligible Shareholder account. For this purpose, the client type details would be collected from the depositories, whereas amount payable to the Eligible Shareholder pertaining to the bids settled through custodians will be transferred to the settlement bank account of the custodian, each in accordance with the applicable mechanism prescribed by BSE and the Clearing Corporation from time to time.

12.5. The Eligible Shareholders will have to ensure that they keep the depository participant **("DP")** account active and unblocked to receive credit in case of return of Equity Shares, due to rejection or due to non-acceptance of Equity Shares under the Buyback.

12.6. Excess Demat Shares or unaccepted Demat Shares, if any, tendered by the Eligible Shareholders will be returned to them by the Clearing Corporation. If the securities transfer instruction is rejected in the depository system, due to any issue, then such securities will be transferred to the Shareholder Broker's depository pool account for onward transfer to such Eligible Shareholder. Any excess Physical Shares pursuant to proportionate acceptance/ rejection will be returned to the concerned Eligible Shareholders directly by the Registrar. The Company is authorized to split the share certificate and issue new consolidated share certificate for the unaccepted Physical Shares, in case the Physical Shares accepted by the Company are less than the Physical Shares tendered in the Buyback.

12.7. The Shareholder Broker would issue contract note to the Eligible Shareholders tendering Equity Shares in the Buyback. The Company's Broker would also issue a contract note to the Company for the Equity Shares accepted under the Buyback.

12.8. Eligible Shareholders who intend to participate in the Buyback should consult their respective Shareholder Broker for any cost, applicable taxes, charges and expenses (including brokerage) etc., that may be levied by the Shareholder Broker upon the selling shareholders for tendering Equity Shares in the Buyback (secondary market transaction). The Buyback consideration received by the Eligible Shareholders in respect of accepted Equity Shares could be net of such costs, applicable taxes, charges and expenses (including brokerage) and the Company accepts no responsibility to bear or pay such additional cost, charges and expenses (including brokerage) incurred by the Eligible Shareholders.

12.9. The Equity Shares accepted, bought and lying to the credit of the Company's Demat Account will be extinguished in the manner and following the procedure prescribed in the Buyback Regulations.

13. RECORD DATE AND SHAREHOLDER'S ENTITLEMENT

13.1. The Company has announced February 26, 2021 as the Record Date for the purpose of determining the Buyback entitlement and the names of the Equity Shareholders, who are eligible to participate in the Buyback.

13.2. The Equity Shares to be bought back as a part of this Buyback is divided into two categories:

a) Reserved category for small shareholders **("Reserved Category")**; and

b) General category for other Eligible Shareholders **("General Category")**.

13.3. As defined in the Buyback Regulations, small shareholder means a shareholder, who holds shares whose market value, on the basis of closing price on the recognized stock exchange registering the highest trading volume, as on Record Date, is not more than Rs. 2,00,000.

13.4. In compliance with Regulation 6 of the Buyback Regulations, the reservation for the small shareholders will be the higher of (a) 15% (fifteen percent) of the number of Equity Shares which the Company proposes to buy back, or (b) number of Equity Shares to which the small shareholders are entitled, as per the shareholding of small shareholders as on the Record Date.

13.5. Based on the shareholding of Equity Shares as on the Record Date, the Company will determine the entitlement of each Eligible Shareholder, including small shareholders, to tender their Equity Shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective Eligible Shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such Eligible Shareholder belongs to. The final number of Equity Shares that the Company shall purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered by such Eligible Shareholder. Accordingly, the Company may not purchase all of the Equity Shares tendered by an Eligible Shareholder.

13.6. In order to ensure that the same Eligible Shareholder with multiple demat accounts/ folios does not receive a higher entitlement under the Reserved Category, the Company will club together the Equity Shares held by such Eligible Shareholders which have a common PAN, for determining the category (small shareholder or general) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of the PANs of the joint shareholders are identical. In case of Eligible Shareholders holding Equity Shares in physical form, where the sequence of PANs are identical or where the PANs of all joint shareholders are not available, the Company will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical.

13.7. The shareholding of institutional investors like mutual funds, pension funds/ trusts, insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the Registrar to the Buyback, as per the shareholder records received from the depositories. Further, the Equity Shares held under the category of 'clearing members' or 'corporate body margin account' or 'corporate body-broker' as per the beneficial position data as on the Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

13.8. After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in the other category.

13.9. Eligible Shareholders' participation in the Buyback will be voluntary. Eligible Shareholders can choose to participate and get cash in lieu of shares to be accepted under the Buyback or they may choose not to participate. Eligible Shareholders may also choose to participate in part of their entitlement. Eligible Shareholders also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other Eligible Shareholders, if any. If the Buyback entitlement for any shareholder is not a round number, then the fractional entitlement shall be ignored for computation of entitlement to tender Equity Shares in
