Limited Review Report

To the Board of Directors
The Motor & General Finance Limited
New Delhi

We have reviewed the accompanying statement of Unaudited Standalone Financial Results of **The Motor & General Finance Limited** for the quarter and nine months ended December 31, 2016. This statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "*Review of Interim Financial Information Performed by Independent Auditor of the Entity*" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement, *except, i) that provision for taxation/Deferred Tax/ MAT and ii) Provision for diminution in the value of long term investments has not been made iii) Investment property classification and determination of its useful life* as explained in the notes published and as in view of the management, this will be considered in the audited accounts for the year ended March 31, 2017.
