Dear Sir/ Madam,

Sub: Disclosure under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Disclosure of material events

Pursuant to the Regulation 30(4) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations') read with Schedule III of the Listing Regulations and SEBI Master Circular No. SEBI/HO/CFD/PoD2/CIR/P/0155 dated November 11, 2024, we wish to provide the following disclosure:

As per Policy Guideline dated August 10, 2022, issued by the Ministry of Petroleum and Natural Gas, domestically produced Administrative Price Mechanisms ('APM') natural gas is to be allocated to city gas distribution ('CGD') companies for priority segments, specifically Domestic PNG and CNG (Transport). The policy states that the supply of domestic gas to CGD entities will be made only up to the quantity available and allocated to GAIL (India) Limited for these segments.

In line with this policy, the Company was allocated APM natural gas for Domestic PNG and CNG (Transport) based on APM gas availability.

Allocation of APM to the Company has been reduced by ~18%, effective April 16, 2025, compared to previous fortnight APM allocation. Reduction of APM volume has been replaced with New Well/Well Intervention gas (NWG). This will have an adverse impact on the profitability, however, the Company is in the process of exploring all measures to mitigate the impact.

You are requested to take the above information on your records.

Thanking You,

Yours Sincerely,

For **Mahanagar Gas Limited**
