MEDIA RELEASE

MICRO TECHNOLOGIES WINS AWARD FOR FASTEST GROWING COMPANY

- Adds One More Feather On Its Cap
- Wins Laurels From Customers & Industry
- Ranks Among The Fast Growing Mid-sized Companies
- Award In Recognition of Micro's Remarkable Achievements

Mumbai, April 4, 2013

Micro Technologies (India) Ltd, (**MTIL : BSE 532494 & NSE :MICROTECH**) a leading global developer and marketer of security devices and solutions today announces that it has been honoured by **Inc India 500** among '**India's Fastest growing Mid-sized Companies**' in **2012**. The Certificates of Excellence were presented to the winners at a glittering awards function at Greater Noida recently.

Speaking after receiving the award, **Ms.Geetha V, Head – Business Development** said, "**We are indeed proud to be honoured by Inc India. This only demonstrates our immense passion for growth, excellence and success. This award will doubtless spur us to scale greater heights in the coming years and make us the leader in India's security sphere**"

One of the main reasons for Micro Technologies' selection in getting such prestigious awards is the utmost satisfaction of its millions of customers whose assets and properties are well secured by the company's cutting-edge technological solutions.

Micro Technologies' security solutions have helped users in foiling burglaries in housing societies, banks, temples and warehouses and in stopping attempts by chain snatchers. Its vehicle security **Micro Vehicle Black Box (Micro VBB)** and home security **Micro Intelligent Surveillance System (Micro ISS)** have respectively reduced vehicle thefts and house break-ins. As one of the recent major initiatives Micro Technologies launched '**Micro Rise Up**' a mobile based application to prevent crimes against women, students and senior citizens. All the security solutions offered by Micro are very useful to its customers, the law enforcement

agencies and the society in controlling the crimes. Police Officials are benefiting from Micro's security solutions as they provide a clear proof required by our legal system as concrete and indisputable evidence against criminals. Thus the company is committed to providing security to all and with this avowed mission it offers security solutions to all segments to protect people, properties and places and ensure peace and harmony in every neighbourhood.

Micro Technologies was identified and recognized as one of the fast-growing independent Indian companies in the mid-size segment with sales turnover of over Rs 900 crore. Micro was selected independently by the Research Team of Inc India from its in-house database for its consistent rapid growth and achievements on various fronts. The cutting edge solutions capability, superior quality of the security products, state-of-the-art technology and effectiveness were the other parameters in which Micro Technologies excelled.

Inc India

Inc. India is the Indian edition of *Inc.*, the leading US magazine that focuses on entrepreneurship and growth. Aimed at the rapidly-growing mid-sized enterprises in India, Inc. India launched its annual 500 ranking of mid-sized companies in 2009. Inc. India 500 is a toast to the emerging order of the new India Inc. It celebrates the stellar contribution of the underserved mid-sized community of corporate India, whose achievements and challenges usually go unrecognised. Chronicling 500 stories of stupendous growth, Inc. India 500 is a testimony to the heroic journeys and winning performances of rising Indian business icons. The ranking methodology has been designed and developed by the Inc. India Research Team.
