PRESS RELEASE

MICRO TECHNOLOGIES BAGS ORDERS FROM A MAHA NAVARATNA PSU

- To Secure PSUs Properties In Two Cities
- To Supply Cutting Edge Surveillance System
- Orders Up Micro's PSU Portfolio

New Delhi, February 25, 2013

Micro Technologies (India) Ltd. (MTIL : BSE 532494 & NSE : MICROTECH), a leading global developer and marketer of security devices and solutions today announces that it has bagged prestigious orders from a Maha Navaratna PSU (MNPSU). The pilot order is for the supply, installation, testing and commissioning of surveillance systems for the MNPSU's warehouses in two cities in India. Discussions are on for similar security coverage for its assets in other cities.

Micro Technologies vast expertise and rich experience in integrating various assets in multi-locations under one command and control centre provide seamless connectivity. Its state-of-the-art technology and all-weather functional capability ensure total security. The solutions enable optimum utilization of all movable and immovable resources which further enhances the MNPSU's profitability. These and the certifications for Micro's security products from renowned international testing bodies were the main deciding factors in awarding the coveted contract.

Announcing the contract, **Ms. Geetha V, Head- Business Development, Micro Technologies said**, Getting a mandate from a nine billion dollar Maha Navaratna PSU is like adding a diamond in our bejeweled crown. It has significant value in terms of superior quality of our products, their capabilities and image. This Maha Navaratna PSU's order will increase our PSU client's portfolio and further consolidate our position as a leading and reliable security solutions provider to PSU's in the country.

Micro Technologies has already been providing security solutions to a number of PSU's and public sector bodies in various segments such as premises, vehicle, warehouse, ATM etc.

The Maha Navaratna PSU is the world's leading and India's largest manufacturing company with integrated plants and special plants at various locations in India. As part of its global ambition this Maha Navaratna PSU is implementing a massive expansion plan involving project work of building/adding new facilities with emphasis on state-of-the-art green technology for some of which Micro Technologies is offering security solutions to safeguard vital assets and properties.
