NOTES:
1. The consolidated financial results of United Breweries Limited ("the Holding Company") and its subsidiary (together referred to as "the Group") and its associate for the quarter ended June 30, 2022 have been reviewed by the Audit Committee and approved by the Board of Directors at their meetings held on July 26, 2022 and July 27, 2022, respectively, and have been subjected to limited review by the statutory auditors of the Holding Company. The consolidated financial results does not include the Holding Company's share of net profit/loss in respect of Kingfisher East Bengal Football Team Private Limited, an associate, which is considered as not material to the Group.
2. The consolidated financial results have been prepared in accordance with the recognition and measurement principles laid down in the applicable accounting standards prescribed under Section 133 of the Companies Act, 2013, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
3. As per Ind AS 108, operating segment is a component of the Group that engages in business activities, whose operating results are regularly reviewed by the Group's Chief Operating Decision Maker ("CODM") to make decisions about resources to be allocated to the segment and assess its performance; and for which discrete financial information is available. Accordingly, the Group has identified its operating segments, as below:
a) Beer - This segment includes manufacture, purchase and sale of beer including licensing of brands
b) Non-alcoholic beverages - This segment includes manufacture, purchase and sale of non-alcoholic beverages
Considering the seasonality of the business, the revenue and profits do not accrue evenly over the year in respect of aforesaid operating segments. The Company's CODM does not review assets and liabilities for each operating segment separately, hence segment disclosures relating to total assets and liabilities have not been furnished.
4. The Holding Company received an order dated September 24, 2021 under Section 27 of the Competition Act, 2002 from the Competition Commission of India ("CCI") (the CCI Order), wherein the CCI concluded that the Holding Company and certain executives (including former executives) of the Holding Company contravened the provisions of Section 3 of the Competition Act, 2002. The CCI levied a penalty of Rs. 75,183 Lakhs on the Holding Company. On December 8, 2021, the Holding Company filed an appeal against the aforesaid CCI Order before the National Company Law Appellate Tribunal ("NCLAT"). The NCLAT vide its order dated December 22, 2021 granted a stay of the CCI Order during the pendency of the appeal, including recovery of the penalty imposed by the CCI, subject to deposit of 10% of the penalty amount by the Holding Company. The Holding Company has accordingly deposited Rs. 7,518 Lakhs with the Registrar, NCLAT.
Based on the advice of the external legal experts, the Holding Company is of the view that the Director General and the CCI has not considered all aspects of its submissions particularly considering the nature of the regulations governing the manufacture, distribution and sale of beer in India. As advised by the Holding Company's external legal experts, the Holding Company has a strong case on merits, there exists uncertainty relating to the final outcome in this matter, which is dependent on judicial proceedings; and that it is not in a position to reliably estimate the final obligation relating to penalties, if any. Accordingly, no provision has been recorded in the books of account and the same has been considered as a contingent liability in accordance with Ind AS 37 - Provisions, Contingent Liabilities and Contingent Assets.
5. The Bihar State Government ("the Government") vide its notification dated April 5, 2016 had imposed ban on trade and consumption of alcoholic beverages in the State of Bihar. The Holding Company had filed a writ petition with the High Court at Patna, requesting remedies and compensation for losses incurred on account of such abrupt notification, against which the Government preferred a special leave petition before the Supreme Court of India. Further, the Government did not renew brewery licenses for the financial year 2017-18 onwards and consequently the Holding Company discontinued production of beer at Bihar. The matter is currently pending before the Supreme Court for final conclusion.
During the financial year 2018-19, in order to maintain the assets in running condition, the Holding Company commenced manufacture of non-alcoholic beverages at its existing manufacturing facility at Bihar using its existing property, plant and equipment. The Holding Company carries out an impairment assessment of its property, plant and equipment and the recoverable amount for these property, plant and equipment is determined by an external valuer based on a fair value less cost of disposal calculation.
Effective May 1, 2022, the Holding Company has closed its manufacturing operations from Bihar unit and has made alternative arrangement for manufacturing non-alcoholic beverages on contract basis with a third-party contractor, considering the economies of scale of operations for non-alcoholic beverages. The Holding Company has received a show cause notice dated June 25, 2022 from Bihar Industrial Area Development Authority (BIADA) for cancellation of its land lease at Bihar considering non-operation of the manufacturing unit. The Holding Company, based on legal advice, has filed its response to the said show-cause notice stating that there has been no violation of the BIADA Act and the notice to the Holding Company is not maintainable. As at June 30, 2022, the carrying value of property, plant and equipment at Bihar is Rs. 9,667 Lakhs (net of impairment) and no further impairment is considered necessary by the management as at June 30, 2022.
6. Revenue from operations for the quarters ended June 30, 2022, March 31, 2022 and June 30, 2021 is adjusted for reversals in variable consideration of Rs. 509 Lakhs, Rs. 897 Lakhs and Rs. 196 Lakhs, respectively, and that for the year ended March 31, 2022 is adjusted for reversal of Rs. 753 Lakhs (excluding the amounts accrued and reversed within the said year).
Sales promotion expense and selling and distribution expense (included under other expenses) for the quarters ended March 31, 2022 and June 30, 2021 is net of reversal of Rs. 1,528 Lakhs and Rs. 392 Lakhs, respectively, and that for the year ended March 31, 2022 is net of reversal of Rs. 967 Lakhs (excluding the amounts accrued and reversed within the said year).
7. Employee benefits expense for the year ended March 31, 2022 includes severance pay of Rs. 1,748 Lakhs paid to certain employees of the Holding Company on separation.
8. Based on an intimation received from a member of senior management of the Holding Company, the majority shareholder with the co-operation of the Holding Company has initiated a review of the justification and appropriateness of commercial terms with certain distributors and vendors. The above review is expected to be completed shortly. Pending conclusion of the review, no adjustments have been determined necessary to the unaudited consolidated financial results of the Holding Company for the quarter ended June 30, 2022.
9. As a result of an ongoing post integration review undertaken by Heineken, which acquired a majority equity stake in the Holding Company in June 2021, the Holding Company is implementing a change in its existing operating models in the states of Tamil Nadu and Andhra Pradesh. This resulted in the termination of its agency contracts in the aforementioned states. Whilst the change did not impact availability of the Holding Company's brands and sales in these states during the quarter ended June 30, 2022, the Holding Company continues to closely monitor the operations in these states.
10. The Holding Company had received orders from the Debt Recovery Tribunal, Karnataka, Bangalore (DRT), whereby the Holding Company has been directed not to pay/release amounts that may be payable with respect to shares in the Holding Company held by an erstwhile director (including his joint holdings) and certain other shareholders, without its prior permission; accordingly, the Holding Company has withheld payment of Rs. 2,099 Lakhs (net of taxes) relating to dividend on aforesaid shares. Further, the Holding Company had received various orders from tax and provident fund authorities prohibiting the Holding Company from making any payment to an erstwhile director; accordingly the Holding Company has withheld payment of Rs. 45 Lakhs (net of TDS), relating to director commission and sitting fees payable to the aforesaid erstwhile director.
11. The Code on Social Security, 2020 (the "Code") relating to employee benefits during employment and post-employment benefits, received Presidential assent in September 2020. The Code has been published in the Gazette of India. However, the final rules/interpretation are yet to be issued. The Group will assess the impact of the Code when it comes into effect and will record any related impact accordingly.
12. The Group has assessed the impact of Coronavirus (COVID-19) pandemic on its business operations and has considered all relevant internal and external information available upto the date of approval of these consolidated financial results in determining the recoverability and carrying values of property, plant and equipment, right-of-use assets, intangible assets (including goodwill), trade and other receivables, inventories and other financial statement captions. The Group continues to monitor the situation and any material changes to future economic conditions.
13. The figures of the last quarter ended March 31, 2022 are the balancing figures between audited figures in respect of the full financial year up to March 31, 2022 and the unaudited published year-to-date figures up to December 31, 2021, being the date of the end of the third quarter of the financial year, which were subjected to limited review.
