#Brief description of objects:

Object of the Issue	Description of objects as per the offer document filed by the issuer
Investment in Midwest Neostone Private Limited ("Midwest Neostone"), the wholly owned subsidiary, by way of a loan, towards funding capital expenditure for Phase II of the quartz grit and powder processing plant (the "Phase II Quartz Processing Plant")	The Company through investment in its subsidiary - Neostone Private Limited ("Midwest Neostone") plans to undertake Phase II expansion of its Quartz Processing Plant by increasing the installed capacity from 303,600 MTPA to 606,600 MTPA. In addition to augmenting production capacity, the expansion will diversify the Company's product offerings beyond quartz grit and powder used in engineered stone applications. The expanded facility will enable the production of solar glass-grade quartz grit and ultra-high purity quartz powder, catering to high-growth sectors such as solar energy, semiconductor manufacturing, optical glass, and crucible production. This expansion is expected to strengthen the Company's presence in value-added quartz products and enhance its ability to serve a broader range of end-user industries.
Capital expenditure for purchase of electric dump trucks ("Electric Dump Trucks") to be used by the Company and investment in Andhra Pradesh Granite (Midwest) Private Limited ("APGM"), the Material Subsidiary, by way of a loan, for purchase of Electric Dump Trucks;	The Company plans to utilize Rs 257.55 million towards the purchase of Electric Dump Trucks and associated charging infrastructure for use by the Company and APGM. The proposed procurement is aimed at supporting mining and transportation operations while facilitating the transition towards a more efficient and sustainable fleet through the adoption of electric mobility solutions.
Capital expenditure for integration of solar energy at certain Mines of the Company;	The Company plans to utilize Rs 32.56 million towards the establishment of additional solar power facilities at its mining locations in Telangana with an aggregate generating capacity of 0.66 MW. The proposed investment will be used for the procurement of solar panels, associated infrastructure, and commissioning activities. This initiative is aimed at reducing dependence on conventional power sources, enhancing energy efficiency, and increasing the share of renewable energy in the Company's mining operations.
Pre-payment/re-payment of, in part or full, certain outstanding borrowings of the Company and investment in APGM, by way of a loan, for pre-payment/ re-payment of, in part or full, certain outstanding borrowings of APGM	The Company proposes to utilize Rs 562.23 million from the Net Proceeds towards the repayment and/or pre-payment of certain outstanding borrowings availed by the Company and APGM. The proposed debt reduction is expected to strengthen the Company's balance sheet, lower finance costs, and enhance financial flexibility for supporting future business operations and growth initiatives.
