Detailed Rationale

Crisil Ratings has assigned its '**Crisil AAA/Stable**' rating to the non-convertible debentures (NCDs) of Rs 300 crore of Mindspace Business Parks REIT (Mindspace REIT). Crisil Ratings has also reaffirmed its ratings on NCDs of Rs 5,590 crore, commercial paper of Rs 3,000 crore and corporate credit rating at '**Crisil AAA/Stable/Crisil A1+**'. Furthermore, Crisil Ratings has **withdrawn** its rating on NCDs worth Rs 500 crore as they have been fully redeemed. The withdrawal is in line with Crisil Ratings policy on withdrawal of ratings on debt instruments.

Mindspace REIT, sponsored by the K Raheja Corp group, comprises 17 commercial offices, IT (information technology) parks and SEZ (special economic zone) assets, spread over 36 million square feet (msf) as on June 30, 2026. It also has under-construction and planned development projects spanning 5.4 msf and 1.9 msf, respectively, and a facility management division.

The REIT's revenue grew ~26% on-year to Rs 951 crore in the first quarter of fiscal 2027, driven by stable rentals, contractual escalations and better occupancy. Net operating income (NOI) also rose by ~28%, reaching Rs 788 crore with a NOI margin of around 83%. Committed occupancy stood at 90.7% as of June 2026 down from 94% as of March 2026, with the new acquisitions, which are operating at lower occupancies.

Consolidated gross debt rose to Rs 17,644 crore as on June 30, 2026 (Rs 10,351 crore as on June 30, 2025), as debt was drawn to fund acquisitions and ongoing capital expenditure (capex). Debt-to-NOI ratio was stable at 4.9 times as on March 31, 2026, compared to as on March 31, 2025. The loan-to-value (LTV) ratio was comfortable at 34.0% (on gross debt as of June 2026 and as per external valuation as of March 2026) and 29.7% (on net debt basis as of June 2026 and as per external valuation as of March 2026). Furthermore, the REIT has acquired 100% stake in Sycamore Properties Pvt Ltd (Sycamore Properties) and Content Properties Pvt Ltd (Content Properties), which have combined leasable area of 2.6 msf (1.2 msf under-construction) at Commerzone Pallikaranai, and 51% shareholding in One Radial, an office campus with leasable area of 2.6 msf in Chennai. Net LTV has risen post these acquisitions. Debt protection metrics are expected to remain comfortable over the medium term. Any larger-than-expected debt-funded capex or acquisition weakening the credit metrics will be monitorable.

The ratings continue to reflect Mindspace REIT's comfortable LTV ratio, characterised by low debt, strong debt protection metrics supported by a cap on incremental borrowings; and stable revenue profile of the assets amid benefits of healthy occupancy and geographic diversification. These strengths are partially offset by susceptibility to volatility in the real estate sector, causing fluctuation in rental rates and occupancy.

Analytical Approach

Crisil Ratings has combined the business and financial risk profiles of Mindspace REIT with those of its asset special purpose vehicles (SPVs), in line with its criteria for rating entities in homogeneous groups. This is because Mindspace REIT has direct control over the asset SPVs and will support them in the event of any exigency. Additionally, as per the Securities and Exchange Board of India's (SEBI's), Real Estate Investment Trust (REIT) Regulations, 2014, Mindspace REIT and its asset SPVs are mandated to distribute 90% of their net distributable cash flow. Also, the cap on borrowing by the REIT has been defined at a consolidated level (equivalent to 49% of the aggregate value of Mindspace REIT's assets).

Please refer Annexure - List of Entities Consolidated, which captures the list of entities considered and their analytical treatment of consolidation.

Key Rating Drivers - Strengths

- **Comfortable LTV ratio, supporting the ability to refinance:** Consolidated gross debt rose to Rs 17,644 crore as on June 30, 2026 (Rs 10,351 crore as on June 30, 2025), as debt was drawn to fund acquisitions and ongoing capex. Debt-to-NOI ratio was stable at 4.9 times as on March 31, 2026, compared to March 31, 2025. The LTV ratio was comfortable at 34.0% (on gross debt as of June 2026 and as per external valuation as of March 2026) and 29.7% (on net debt basis as of June 2026 and as per external valuation as of March 2026). The low LTV ratio shields investors from the risk of any decline in property prices and its consequent impact on refinancing and provides headroom for any debt-funded acquisition and capex. REIT has raised funds in the past for the refinancing of debt at the trust and SPV levels, which is expected to continue.
- **Strong debt protection metrics:** Mindspace REIT is expected to have healthy debt protection metrics, including for all incremental financing in the underlying asset SPVs. This is because the incremental debt, over and above the existing debt, to be raised in the next 3–5 years, is expected to be around Rs 3,968 crore factoring the ongoing capex plans. The REIT has completed the acquisition of 100% shareholding in Sycamore Properties and Content Properties, together comprising of 2.6 msf of total leasable area (1.2 msf under-construction) at Commerzone Pallikaranai and 51% shareholding in One Radial, an office campus with 2.6 msf of leasable area in Chennai. The acquisition of Commerzone Pallikaranai was completed through swap of shares for REIT units with the preferential issue of shares and One Radial through debt. Net LTV rose post these acquisitions to 29.7% in June 2026 as per external valuation from 24.3% in March 2026.

The existing debt instruments stipulate debt-to-Ebitda (earnings before interest, taxes, depreciation and amortisation) or debt-to-NOI thresholds of 5.0 times, which have been changed to 6.0 times in the instruments raised March 2023 onwards. Though the financial covenant has been revised upwards, Crisil Ratings expects debt-to-NOI ratio to remain within the specified limits, which is in line with the management articulation of maintaining conservative capital structure. Consequently, LTV is expected to remain below 33% on a sustained basis.

- **Stable revenue of asset SPVs:** Mindspace REIT's entire revenue comes from 17 commercial offices, IT parks and SEZs. Consolidated revenue from operations (excluding revenue from works contract) was Rs 3,216 crore and Rs 2,596 crore, respectively, in fiscals 2026 and 2025. Leasing activity has picked up with the REIT entering into agreements for new and vacant area of ~4.3 msf, while renewing agreements for 2.8 msf in fiscal 2026 at an average re-leasing spread of 31.8% (on 4.2 msf). Superior asset and service quality, favourable location in prime areas of Hyderabad, Mumbai and Mumbai Metropolitan Region (MMR), Pune and Chennai, good demand and competitive rental rates should support occupancy.

Key Rating Drivers - Weaknesses

- **Susceptibility to volatility in the real estate sector:** Rental collection remains susceptible to economic downturns, which may constrain the tenant's business risk profile, and therefore, limit occupancy and rental rates. Top 10 tenants and technology sector concentration at 30.2% and 35.9% of gross contracted rentals, respectively, as on June 30, 2026, exposes the REIT to moderate concentration risk. Furthermore, as on June 30, 2026, 17.6% of the operational portfolio is coming up for expiry in the three fiscals till 2029. While majority of the tenants are established corporates and may continue to occupy the property, any industry shock leading to vacancies may make it difficult to find alternate lessees within the stipulated time. This could adversely impact cash flow, and hence, will be a key rating sensitivity factor.

Liquidity Superior

Liquidity remains strong, supported by healthy debt protection metrics, including for permitted additional financing. Furthermore, a low LTV ratio enhances the REIT's financial flexibility. Consolidated debt is unlikely to cause LTV ratio to exceed 40%, thus protecting investors from any decline in property prices and the consequent impact on refinancing.

Outlook Stable

Crisil Ratings believes Mindspace REIT will continue to benefit from the quality of its underlying assets.

Rating sensitivity factors

Downward factors:

- Decline in the value of the underlying assets or higher-than-expected incremental borrowings, resulting in Crisil Ratings-sensitised LTV ratio of 40% or above
- Weakening of operating performance, leading to lower-than-expected occupancy
- Significant delay in the completion and leasing of under-construction assets or acquisition of low quality assets, affecting portfolio health
- Any impact on the independence of REIT operations due to, but not limited to, change in sponsorship of the trust or ownership of the REIT manager

Rationale

The rating action for Mindspace Business Parks REIT (Mindspace REIT) favourably factors in its strong business profile with well diversified and large portfolio of assets, along with expected sustenance of healthy committed occupancy in the medium term and comfortable leverage levels. The committed occupancy for the completed area stood healthy at 90.7% as of June 2026 (post-acquisition of Commerzone Pallikaranai and One Radial). The ratings note its large and diversified portfolio of assets with office space, including completed area of 36.0 million square feet (msf), and under-construction area/future planned development of 10.2 msf as of June 2026. Mindspace REIT's portfolio is spread across major cities such as Mumbai, Hyderabad, Pune and Chennai, with a reputed and diversified tenant mix comprising leading multi-national and Indian corporates. The top 10 tenants generated 30.2% of the gross contracted rentals as of June 2026.

Mindspace REIT had announced acquisition of Commerzone Pallikaranai, Chennai (100% stake) in March 2026 and One Radial, Chennai (51% stake) in April 2026. The CPs have been deployed towards acquisition, growth capex or refinancing of existing debt. Despite increase in debt levels due to acquisition of assets, the leverage remains comfortable with loan to asset value (LTV)¹ of 29.7% as of June 2026. Based on its capital expenditure/inorganic growth plans, ICRA expects the total external debt/annualised NOI to remain at less than 5 times and LTV to remain below 33% in the medium term. The proposed NCDs are expected to be deployed towards acquisition, growth capex or refinancing of existing debt. ICRA will continue to monitor the future asset acquisitions and their consequent impact on the leverage. Comfort, however, is drawn from the proven track record and the experienced management of the REIT sponsor, K Raheja Corp Group (KRC), as well as the REIT manager K Raheja Corp Investment Managers Private Limited (formerly known as K Raheja Corp Investment Managers LLP (KRCIML)) and the exceptional financial flexibility of Mindspace REIT.

Part of Mindspace REIT's debt, at the consolidated level, is in the form of CPs and NCDs with bullet repayments at the end of their maturity period, exposing the REIT to refinancing risk. This risk is mitigated to an extent by the tranche repayment of the

¹ For the purpose of LTV calculation, Net Debt is post accounting and minority adjustments with market value as on March 31, 2026, based on the valuation report (Market value for Commerzone Pallikaranai as on December 31, 2025, and One Radial as on March 15, 2026). Gross LTV stood at 34.0% as on June 30, 2026

issuances, strong liquidity position with cash and cash equivalents of Rs. 1,317.8 crore and unutilised overdraft/LRD facilities of Rs. 408.1 crore as of June 2026, which are expected to be available to meet any exigencies. Tenant leases contributing to 3.8% and 6.6% of the gross contracted rentals will be due for expiry in Q2-Q4 FY2027 and FY2028 respectively. However, the risk is partially mitigated by the reputed tenant profile and established track record of the K Raheja Corp Group in the commercial real estate industry.

ICRA expects that Mindspace REIT's credit profile will be supported by REIT regulations that restrict the extent of under construction assets in the portfolio to less than 20% of the asset value and the cap on leverage at 49% of the asset value.

The Stable outlook reflects ICRA's opinion that the Trust will benefit from its large, diversified and stable operational portfolio, the anticipated growth from assets currently under development and the expected comfortable financial risk profile.

Key rating drivers and their description

Credit strengths

Well-diversified and large portfolio of assets with strong tenant profile – The asset portfolio under the REIT includes some of the major business parks of Mumbai, Hyderabad, Pune and Chennai, with a reputed and diversified tenant mix comprising leading multi-nationals and Indian corporates, wherein the top 10 tenants generate 30.2% of the gross contracted rentals as of June 2026. The asset portfolio of the REIT includes completed office space area of 36.0 msf, and under-construction area/future planned development of 10.2 msf as of June 2026. The completed area reported a committed occupancy of 90.7% as of June 2026, supported by long-term lease agreements and a good track record of tenant stickiness owing to competitive rentals in most of the assets.

Comfortable leverage – Mindspace REIT had announced acquisition of Commerzone Pallikaranai, Chennai (100% stake) in March 2026 and One Radial, Chennai (51% stake) in April 2026. The CPs have been deployed towards acquisition, growth capex or refinancing of existing debt. Despite increase in debt levels due to acquisition of assets, the leverage remains comfortable with loan to asset value (LTV) of 29.7% as of June 2026. Based on its capital expenditure/inorganic growth plans, ICRA expects the total external debt/annualised NOI to remain at less than 5 times and LTV to remain below 33% in the medium term.

Established track record of sponsor and REIT manager – The REIT manager and sponsor are a part of KRC, which has considerable experience in developing and managing commercial real estate projects. KRC is one of India's leading groups in the real estate development and retail business, with experience of over four decades in developing and operating assets across commercial, hospitality, retail and residential segments.

Credit challenges

Exposure to refinancing risk – Part of Mindspace REIT's debt, at the consolidated level, is in the form of CPs and NCDs with bullet repayments at the end of their maturity period, exposing the REIT to refinancing risk. This risk is mitigated to an extent by the tranche repayment of the issuances, strong liquidity position with cash and cash equivalents of Rs. 1,317.8 crore and unutilised overdraft/LRD facilities of Rs. 408.1 crore as of June 2026, which are expected to be available to meet any exigencies.

Vulnerability of commercial real estate sector to cyclical – The company remains exposed to the inherent cyclical in the real estate industry and vulnerability to external factors. ICRA notes that tenant leases contributing to 3.8% and 6.6% of the gross contracted rentals will be due for expiry in Q2-Q4 FY2027 and FY2028 respectively. However, the risk is partially mitigated by reputed tenants with strong businesses and established track record of the K Raheja Corp Group in the commercial real estate industry.

Environmental and social risks

Environmental considerations – The real estate segment is exposed to risks of increasing environmental norms affecting operating costs, including higher costs of raw materials such as building materials and cost of compliance with pollution control regulations. Environmental clearances are required for commencement of projects and lack of timely approvals can impact its business operations. The effect of changing environmental regulations on licenses for property development could also create credit risks.

Social considerations – The downside social risks faced by REITs like Mindspace could be said to be low. The demand for commercial office space, particularly those with good ancillary infrastructure and connectivity, has been growing in India as the service economy expands. While there could be societal trends like preference for work-from-home, which could weigh on demand, on balance, the tailwinds for commercial real estate remain reasonably strong. Further, rapid urbanisation and a large working age population will support the demand for commercial real estate in India and benefit REITs like Mindspace.

Liquidity position: Strong

The liquidity position of the REIT is supported by stable rental income from the underlying assets and low operational expenditure in the leasing business. Healthy fund flow from operations will be adequate to cover the total debt servicing obligations. Additionally, the REIT had cash and cash equivalents of Rs. 1,317.8 crore and unutilised overdraft/LRD facilities of Rs. 408.1 crore as of June 2026, which supports the liquidity profile.

Rating sensitivities

Positive factors – Not Applicable.

Negative factors – Higher-than-anticipated borrowing that increases the LTV higher than 40%, on a sustained basis, or decline in the committed occupancy to lower than 80%, on a sustained basis, may trigger a rating downgrade. Any non-adherence to the debt structure may also lead to a rating downgrade.
