Mindtree

SAP and Mindtree partner to welcome customers to the cloud

Offers unique business value to customers by building customized SAP's applications to suit their business needs

Warren, N.J. and Bangalore (India), September 16, 2013: Mindtree, a global information technology solutions company, today announced a partnership with SAP America to enable customers execute their Cloud strategies on SAP's cloud applications like SuccessFactors and mobile platforms.

Mindtree has been an SAP Partner since 2005 and a SuccessFactors product development partner for the past 6 years. It continues to play a critical role in helping customers identify and implement ideal SAP solutions to address their unique business needs. The new alliance will help Mindtree's customers take advantage of its expertise in application development and deployment on cloud and mobile platforms. The partnership will complement SAP's product landscape to provide best- in-class human capital management (HCM), mobile and analytics solutions on premise and on cloud.

"Customer success spells success for us. They want more and more options in how they take advantage of cloud and mobility platforms to address their IT needs," said Arun Rangaraju, Head, Package Solutions at Mindtree. "Our partnership with SAP reinforces our commitment to deliver innovative solutions to our customers. This ties back to our mission to engineer meaningful technology solutions to help businesses and societies flourish," he added.

With a strong SAP consulting talent, domain expertise and industry best practices, Mindtree will enable customers transform their business to achieve desired business growth. The partnership will allow Mindtree to analyze and evaluate the application and business maturity levels and make the transition to the cloud successfully for the customer.
