Subject: Clarification regarding XBRL filing of Financial Results – MIRCELECTR

Dear Sir/Madam,

This is with reference to the communication received from the Exchange in relation to the Outcome of Board Meeting – Financial Results of MIRC Electronics Limited submitted on 12 November 2025, wherein it was observed that half-yearly figures were filed in XBRL instead of quarterly figures.

In this regard, we wish to clarify that while filing the XBRL, the reporting period was selected as “half-yearly”, as the financial results pertained to the half year and 2nd Quarter ended September 30, 2025. The same was considered appropriate at the time of filing based on the nature of the financial information being reported.

Subsequently, upon receiving clarification from the Exchange regarding the requirement of quarterly reporting in XBRL format, the Company has filed the revised and updated XBRL with quarterly financial figures and selecting the reporting period as “Quarterly” on 28 November 2025 through the NEAPS portal.

The Company confirms that there is no change in the financial figures as originally approved by the Board and disclosed to the Exchange. The revision is limited only to the reporting format and periodic classification in XBRL.

We request you to kindly take the above clarification on record and acknowledge the same.
