MMP Industries Limited Receives Export Order Worth US\$100,000 from Venezuela

Nagpur, India - 21 August 2026: MMP Industries Limited, a leading manufacturer of aluminium powders, aluminium foils, aluminium conductors and Polymer Insulators, has received export order aggregating to approximately **US\$100,000 from one of the leading distributors in Venezuela** for the supply of **AAA Conductors, Aluminium Triplex Cables and Polymer Insulators**.

The order mark further progress in the Company's efforts to expand its international presence and strengthen its customer base for **Aluminium Conductors & Cables and Polymer Insulators**.

MMP Industries is strengthening its Polymer Insulator business alongside its established Aluminium Conductors and Cables business. Commercial supplies of Polymer Insulators to Nepal have commenced, while discussions with prospective customers in the **United States and Latin America are progressing well, supported by a healthy pipeline of enquiries**. The Company is focused on expanding its presence across the **transmission and distribution infrastructure segment**, with Polymer Insulators complementing its Aluminium Cables and Conductors portfolio.

Mr. Arun Bhandari, Managing Director, MMP Industries Limited, said

“We continue to focus on strengthening our established businesses while building new avenues of growth across our product portfolio. Aluminium Conductors and Cables, together with Polymer Insulators, represent an important part of our growth strategy in the transmission and distribution infrastructure segment. Our focus on backward integration, including the development of FRP rods and metal end fittings for Polymer Insulators and the Aluminium Wire Rod facility supporting our downstream businesses, is aimed at enhancing supply chain efficiency, product quality and manufacturing capabilities. We believe these initiatives, combined with our expanding customer base, will enable us to build a stronger and more competitive business across both domestic and international markets.”

About MMP Industries Limited

MMP Industries Limited (MMPIL), registered in Nagpur, Maharashtra, is primarily engaged in the manufacture of aluminium products with its manufacturing plants located in and around Nagpur city. The aluminium product range includes aluminium powders, aluminium foils and aluminium conductors/cables. Over the course of the last three decades of its operations, the company has become a globally recognized player in the aluminium powder field.
