Dear Sir,

Sub: Mahindra offers proactive inspection of some parts of Scorpio Ex variant

Mahindra & Mahindra Limited, a part of the USD 16.5 billion Mahindra Group, today announced that it would carry out preventive inspection of some parts of its Scorpio Ex variant manufactured between May 2012 and November 2013. This is in keeping with its customer centric approach as well as in compliance with the voluntary code on vehicle recall.

This inspection and necessary part replacement if any, would be carried out with immediate effect and would be done free of cost for Scorpio Ex customers who would be individually contacted by the company/authorised dealers.

This recall is limited only to the Scorpio Ex variant manufactured during the said period and does not affect any other Scorpio variants.

Thanking you,

Yours faithfully,
For MAHINDRA & MAHINDRA LIMITED
