INDIA & WORLD ECONOMY AMID THE WAR

How is the West Asia war reshaping global trade and capital flows?
 What is at greater risk from the war: growth or inflation?
 Is the AI boom papering over the cracks in emerging markets exposed by the war?
 Has the war exposed India's long-standing weaknesses?
 Where does the rupee go from here?
 What does India need: short-term policy solutions or long-term reforms?
 Should policymakers prepare for a future with continuous supply-side shocks?
