	Total			2133.06	1642.51	1677.37

Notes

- The above results have been reviewed by Audit Committee and approved by the Board of Directors in its meeting held on 9th February, 2011.
- The quarterly financial results have been reviewed by statutory auditors of the company as required under Clause 41 of Listing Agreement.
- Except change in accounting policy for valuation of slag, accounting policies followed are the same as followed in preparation of annual financial statements as on 31st March, 2010.
Due to the change in accounting policy on valuation of slag w.e.f. 1st April, 2010, profit after tax for current quarter and upto current quarter is reduced by ₹ 0.68 crores and ₹ 3.95 crores respectively.
- Performance of the wind turbine generators division during the quarter is not indicative of the annual performance since maximum electricity is generated between April and September due to high wind velocity during this period.
- During the quarter, Government of India, Government of Maharashtra and Madhya Pradesh have divested 3.36 crore equity shares of ₹ 10 each at ₹ 375 per share, with discount of 5% for retail investors and employees, through Initial Public Offer (I.P.O.).
Non-reimbursable I.P.O.-related expenses are charged to primary heads of accounts.
- (a) Electricity duty demand of ₹ 9.75 crores raised by Madhya Pradesh Electricity Distribution Company Limited is contested by the company and not provided. As per order of High Court, a sum of ₹ 4.72 crores is deposited against the demand.
(b) Income Tax department has raised demand of ₹ 11.42 crores, which is disputed and not provided for. The department has been requested to adjust this demand against refund due for next period.
In the opinion of the management, the above demands will not have any impact on results of the company.
- The company has received 15092 complaints from investors (mainly in connection with IPO) and all of them have been disposed off. Therefore, complaints pending as at 31st December, 2010 is NIL.
- The Board of Directors has approved an interim dividend of ₹ 2.50 per equity share for financial year 2010-11 at its meeting held on 9th February, 2011. The record date for payment of interim dividend has been fixed as 18th February, 2011.
- Previous period's figures have been regrouped/reclassified, wherever necessary.

REVIEW REPORT

- 1 We have reviewed the accompanying statements of unaudited financial results of MOIL Limited for the period ended on 31st December, 2010, except for the disclosures regarding "Public shareholding" and "Promoter and promoter group shareholding", which have been traced from disclosures made by the management and have not been reviewed by us. These statements are the responsibility of the company's management and have been approved by the Audit Committee of Board and Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.
- 2 We have conducted our review in accordance with Standard on Review Engagement (SRE) 2400 : 'Engagement to Review Financial Statements' issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to enquiries of company personnel and analytical procedures applied on financial data and thus provide less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.
- 3 Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statements of unaudited financial results prepared in accordance with applicable accounting standards and other recognised accounting practices and policies have not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed or that it contains any material misstatement.
