Dear Sir/Madam,

Subject: Intimation for Execution of Equity Purchase Agreement between Beryl Engineering Inc., a wholly owned subsidiary of Mold-Tek Technologies Limited with Beryl Project Engineering LLC and its existing shareholders.

Reference: Disclosure pursuant to Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

With reference to the captioned subject, we would like to inform you that Mold-Tek Technologies Limited (“the Company”) through its wholly owned subsidiary has successfully executed an Equity Purchase Agreement (EPA) dated 31st October 2025 (EST) with Beryl Project Engineering LLC and its existing shareholders for **acquiring the 100% stake in Beryl Project Engineering LLC**. The information of the same has been received by the Company on 1st November 2025 at 9 AM IST.

Brief about Beryl Project Engineering LLC:

Beryl Project Engineering LLC is a Florida-based engineering services company with an annual revenue of around **USD 5.6 million** and a team of around **40 employees**. The company specializes in **structural engineering and design** for residential, commercial and renovation projects. In addition, it offers **property inspections, reserve studies, structural integrity assessments, expert witness services, permit certifications, and wind mitigation services**.

This acquisition would enable Mold-Tek Technologies Limited to achieve significant **operational and strategic synergies**, including:

- Expansion into the U.S. residential and diversification in US engineering markets.
- Optimization of project delivery costs through the effective utilization of Mold-Tek India’s design and drafting teams, leading to improved operational efficiency and higher profit margins.
- Cross-leveraging of technical capabilities by offering Mold-Tek’s advanced BIM and structural engineering expertise to Beryl’s clients, while extending Beryl’s inspection and certification services to Mold-Tek’s international clientele.

Upon completion of the above acquisition, Beryl Project Engineering LLC will become a Wholly-owned subsidiary of Beryl Engineering Inc. and Step-down subsidiary of the Company.

Mold-Tek Technologies Limited
