CHARTERED ACCOUNTANTS

Independent Auditor's Review Report on the Quarterly Unaudited Financial Results of Mold-Tek Packaging Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Review Report to the Board of Directors
Mold-Tek Packaging Limited

1. We have reviewed the accompanying statement of unaudited financial results of Mold-Tek Packaging Limited (the "Company") for the quarter ended 30th September, 2026 and year to date results for the period 1st April, 2026 to 30th September, 2026 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "LODR Regulations").

2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Company's performance for Q2 of F.Y.'2027: Mold-Tek Packaging Limited today announced its financial results for the quarter and half-year ended September 30, 2026.

In spite of uncertain geopolitical situation, Company achieved 36.06% raise in PAT and overall sales volume growth of **10.09% during Q2 FY2027 on a year-on-year basis**, reflecting resilient business performance and sustained demand across its all-key packaging segments.

Segment-wise performance (Q2 FY2027 vs Q2 FY2026):

- Pharma Packaging: Delivered an excellent volume growth of 26.30%, emerging as one of the key growth drivers.
- Food & FMCG Packaging (including Q-Pack): Registered robust volume growth of 23.70%, reflecting strong demand in the segment.
- Paints Packaging: Recorded a steady volume growth of 8.61%.
- Lubricants Packaging: Witnessed a volume decline of 12.32%.

The strong growth in Food & FMCG and Pharma Packaging, supported by steady performance in Paints Packaging, more than offset the moderation in Lubricants Packaging, enabling the Company to achieve an overall sales volume growth of **10.08% year-on-year during Q2 FY2027**.

"We delivered pharmaceutical performance in spite of turbulent times". Announcing the results, **Chairman & Managing Director Mr J Lakshmana Rao** said: The operating environment during the quarter remained challenging, marked by sharp increases in raw material prices and constraints in material availability arising from geopolitical disruptions.

"However, as always in line with the pre-agreed pricing arrangements with customers, the Company successfully passed on the increase in raw material costs, thereby protecting its operating margins. Despite the seasonal low demand typically associated with 2nd quarter, the Company achieved a healthy **EBITDA per kg of ₹46.49 (up by 30% of Q2 of FY26)**, reflecting its ability to effectively manage input cost volatility and improve operational efficiencies and expanding demand for its product range".

Pharma Packaging – Strong Growth Momentum: Mold-Tek's Pharma Packaging business continued its strong growth trajectory, registering an impressive **26.30% year-on-year volume growth during Q2 FY2027**. The robust performance reflects increasing customer acceptance, strengthening of the Company's presence in the pharmaceutical packaging segment and growing demand from existing and new customers.

The Company continues to focus on expanding its Pharma Packaging business through investments in advanced manufacturing capabilities, specialised packaging solutions and capacity enhancement. The recently undertaken investments in pharma packaging infrastructure are expected to support the Company's growth ambitions and improve its contribution to overall revenues and profitability.

With increasing customer engagement, a strong business pipeline and enhanced manufacturing capabilities, the Pharma Packaging segment is well positioned to emerge as an important growth driver for Mold-Tek in the coming years.
