Dear Sir/Madam,

Subject: Intimation of Product launch

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform you that the Company has taken a significant step in its technology-led growth journey by launching its Digital Lending Platform in partnership with Trusave Fintech Private Limited ("Bachatt") marking an important milestone in the Company's digital transformation and its journey towards building a scalable, technology-led lending franchise.

Under the arrangement, Bachatt shall act as a Lending Service Provider ("LSP") to Moneyboxx and undertake various activities in relation to customer acquisition, digital onboarding, operations and servicing. Moneyboxx will remain the lender and will independently evaluate and underwrite all loan applications in accordance with its credit policies and applicable regulatory requirements. The partnership combines Bachatt's technology and digital distribution capabilities with Moneyboxx's credit underwriting, lending and servicing capabilities, creating a platform to expand access to formal credit for underserved small businesses.

The launch marks the beginning of Moneyboxx's digital lending journey and represents an important step in the Company's strategy to complement its established branch-led model with technology-enabled distribution. By combining its existing physical presence and underwriting capabilities with digital sourcing and servicing, Moneyboxx intends to build a more scalable and diversified lending platform, with the potential to progressively expand its addressable customer base and strengthen operating leverage as the digital portfolio scales.

This initiative reflects the Company continued commitment to innovation, digital transformation and sustainable growth, positioning Moneyboxx to capitalize on emerging opportunities in the rapidly evolving digital lending ecosystem and deliver long-term value to its stakeholders.
