Subject: Clarification for Financial Results XBRL submitted on 12/02/2026

Dear Sir/Madam,

This is with reference to your observation regarding the discrepancy in the XBRL submission pertaining to the Outcome of Board Meeting – Financial Results submitted on 12 February 2026 for Moneyboxx Finance Limited, wherein the Debt–Equity Ratio has not been mentioned in the XBRL filing.

In this regard, we would like to submit that during the validation of the XBRL file, no validation error was displayed indicating that the field was mandatory to be filled. Further, the required financial ratios, including the Debt–Equity Ratio, have already been disclosed through the one-pager titled “*Disclosures in compliance with Regulation 52(4) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015*” submitted along with the financial results.

However, if the Exchange requires the disclosure of the Debt–Equity Ratio specifically in the XBRL filing as well, we will ensure that the same is appropriately filled in future submissions. Further, we have duly submitted the revised XBRL on the portal for your kind reference and review.

We request you to kindly take the above clarification on record.

For Moneyboxx Finance Limited
