Subject: Press Release – Capacity Enhancement at Monolithisch India Limited

Dear Sir/Madam,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we hereby submit a press release titled **“Capacity Enhancement at Monolithisch India Limited”**.

The release highlights the Company’s recent production capacity to increase from **206,000 TPA (Tonnes Per Annum) to 250,000 TPA (Tonnes Per Annum)**. This development forms part of the Company’s strategic initiatives to strengthen its leadership position in the unshaped refractory materials segment, as detailed in the press release attached herewith.

A copy of the said press release is also being uploaded on the Company's website.

Kindly acknowledge and take the same on record.

Thanking you,
Yours faithfully,
For Monolithisch India Limited

Press Release

Capacity Enhancement at Monolithisch India Limited

Monolithisch India Limited extends its warm greetings and best wishes to all its stakeholders on the auspicious occasions of **Makar Sankranti, Bihu, Pongal and Lohri**. May these festivals bring prosperity, growth, and happiness to everyone.

Further to the above, the Company is pleased to inform that, as part of its ongoing strategic capacity expansion program, **trial runs will be carried out with effect from 14th January, 2026.**

Pursuant to the successful completion of the trial runs, the Company expects that the **new installed manufacturing capacity of 250,000 TPA (Tonnes Per Annum)** shall become operational **with effect from 21st January, 2026.**

This development is in continuation of the Company's previously disclosed phased capacity expansion initiatives and reflects sustained operational improvements, efficient execution, and adoption of advanced manufacturing technologies. The enhanced capacity will enable the Company to meet growing demand for its existing products range as well as its premium offering, SGB-Limited, while ensuring timely deliveries and consistent quality across domestic and international markets.

This expansion will support the Company's objective of achieving a net installed group capacity of **574,000 TPA by April/ May 2026**, thereby strengthening its leadership position in the unshaped refractory materials segment and making the Company largest manufacturer in terms of installed capacity.

The Company remains committed to sustainability, operational excellence, and customer-centric growth, supported by continuous investments in infrastructure, technology, and skilled manpower.
