Subject: Intimation regarding launch of Company's Mobile Application "MONOLITHISCH INDIA"

Dear Sir/ Ma'am,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform you that Monolithisch India Limited has launched its dedicated mobile application under the name "**MONOLITHISCH INDIA**", branded as an Enterprise Refractory Portal.

The application has been developed as a digital platform for authorised buyers and plant-related operations, with the objective of facilitating seamless coordination and improved visibility across the Company's purchase order, dispatch and logistics processes.

The key features of the application include:

- **Direct Purchase Order Upload**: Enables authorised buyers to directly upload their purchase orders through the application.
- **Vehicle Tracking**: Facilitates tracking of vehicles transporting materials from the Company's manufacturing plant to the customer's destination.
- **Purchase Order, Dispatch and Tracking**: Provides a dedicated digital interface focused on purchase order management, dispatch and tracking-related activities.
- **Furnace Ready**: Includes a dedicated feature labelled "Furnace Ready" to support coordination in the Company's material delivery ecosystem.

The application carries the objective of enabling customers to track material and vehicle movement from the manufacturing plant to the furnace, thereby promoting greater transparency, improved coordination and enhanced customer experience.

This initiative represents another step in the Company's efforts towards digitalisation and technology adoption in its business operations and customer engagement processes.

The application is currently available for download on the Google Play Store for Android users and is to be made available on the Apple App Store shortly for iOS users.

This is for your information and record.

Yours faithfully,
For Monolithisch India Limited
