Sub: Intimation regarding participation in Government Tenders/E-Auctions as part of the Company's Backward Integration Strategy.

Dear Sir/Madam,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform you that, as part of its ongoing growth and expansion strategy, Monolithisch India Limited is actively evaluating opportunities to participate in various government mining auctions and acquisition opportunities as part of its backward-integration strategy. The objective is to secure strategic mineral resources, strengthen the Company's raw-material supply chain, and create greater control over its key inputs.

At the Board Meeting of the Company held on 24th August, 2026, The Board has authorised Mr. Harsh Tekriwal, Managing Director, to identify and participate in suitable mining tenders/e-auctions and undertake all related bidding, documentation, financial and contractual processes on behalf of the Company. This initiative is expected to support long-term raw-material security, operational efficiency and future business expansion.

The Company will make such further disclosures to the Stock Exchange(s) as may be required under the applicable provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, upon any material development, including successful acquisition of mining rights.

This is for your information and records.

Thanking you,
Yours faithfully,
For Monolithisch India Limited
