MOS Utility Limited signed an agreement to provide Fintech and Utility Payment Solutions via the E-MITRA project

Mumbai, 18th July 2023 – **MOS Utility Limited** (further referred to as “**MOS**”) have received the signed service agreement with **Rajcomp Info Services Limited** (further referred to as “**RISL**”), a wholly owned company of the Government of Rajasthan, to deliver Fintech and Utility Payment Solutions via the e-Mitra project to facilitate the people of Rajasthan in availing various services under a single roof.

The e-Mitra project is an IT-enabled platform for delivering various services and information to the rural and urban masses of Rajasthan. The project is implemented on a 3-tier model, where RISL is the executive agency on behalf of the Government of Rajasthan. A network of approx. 80,000 kiosks under the e-Mitra project at various locations in all districts across Rajasthan.

MOS will provide services to the citizens of Rajasthan state under the specifications of work, conduct, requirement, standards, and operating procedures mentioned in the Agreement. The Agreement will be valid for a period of 5 years from the signing of the Agreement and may be extended on terms and conditions mutually agreed by both parties. The new business agreement is also expected to have a positive impact on the revenue and profitability of MOS Utility Limited.

Mr. Chirag Shah, Founder & Director of MOS Utility Limited, expressed his delight on the occasion and shared “*MOS is committed to providing a seamless experience to the kiosk holders of the e-Mitra project, and this collaboration is a step forward in achieving the same. The collaboration will provide the company with an opportunity to reach out to a broader audience and contribute to the vision of e-Governance in the State while growing our business significantly. The partnership is a significant development for both companies, and we look forward to expanding our business outreach by more such collaborations in the future.*”
