Thanking you,

Yours truly,  
For Samvardhana MotherSON International Limited

Alok Goel  
Company Secretary

## Motherson secures Government incentives under the Electronic Component Manufacturing Scheme (ECMS)

India, 5th January 2026

Motherson Electronic Components Private Limited (MECPL), a subsidiary of Samvardhana Motherson International Limited (SAMIL), has successfully secured incentives under the Government of India's Production Linked Incentive (PLI) Scheme. Under the latest approvals, MECPL has been included among the beneficiaries of the **Electronics Components Manufacturing Scheme (ECMS)** announced by the Ministry of Electronics and Information Technology (MeitY), Government of India, for the production of enclosures for the consumer electronics industry. This development reaffirms Motherson's commitment to strengthening domestic manufacturing and contributing to "Make in India".

These incentives are for six years, i.e., from FY 26 to FY 31, with an expected cumulative investment of Rs. 1,900 crores over the investment period. MECPL is looking to create over 5,000 employment opportunities at its plant in Kanchipuram, Tamil Nadu, during the course of these incentives.

Motherson, a leading global Design, Engineering, Manufacturing and Assembly (D.E.M.A.) specialist, is playing a pivotal role in building a resilient value chain for the automotive, aerospace and consumer electronics industries in India. Motherson's inclusion in the ECMS initiative reflects its strong capabilities and readiness to scale operations in high value segments such as consumer electronics.

### Samvardhana Motherson International Limited (SAMIL)

Samvardhana Motherson International Limited (SAMIL/the Company) is a global design, engineering, manufacturing and assembly (D.E.M.A.) specialist. The Company was established in 1986 and was listed on the BSE and NSE in India in 1993. The Company is focused, dynamic, and progressive, providing customers with innovative and value-added products, services, and solutions. With a diverse global customer base that includes nearly all leading automobile manufacturers worldwide, the Company supports its customers from over 425 facilities across 44 countries on five continents. Beyond the automotive sector, Motherson has strategically diversified into industries such as consumer electronics, health and medical, aerospace, logistics, and industrial IT solutions. SAMIL is currently the largest auto ancillary in India and is ranked among the top 15 automotive suppliers worldwide. The Company was selected as one of the Best Companies for 2024 by TIME.
