Subject : Disclosure under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations')

Reference : Effect(s) arising out of change in the regulatory framework applicable to the listed entity

Dear Sir / Madam,

The U.S. Government via Executive Orders announced tariffs on imported products from various countries globally, including automotive components, which may be subject to modifications from time to time.

A significant part of the products supplied by the Company and/or its subsidiaries to its various customers in the U.S are either manufactured in the U.S. or are United States-Mexico-Canada Agreement ("USMCA") compliant and therefore as per our present assessment the said Executive Orders may not have any material impact on the financials of the Company.

However, impact (if any) going forward depends on various inclusion(s) / exclusion(s) of product(s), component(s), territories(s), tariff(s) etc., forming part of said Executive Orders, as may be notified or amended.

The above is for your information and records and submitted pursuant to the Regulation 30 read with Schedule III of SEBI (Listing Obligation & Disclosure) Regulations, 2015.

Thanking you,

Yours truly,
For Samvardhana MotherSON International Limited
