MPS completes acquisition of Element business

Further to the earlier announcements, MPS is pleased to confirm that MPS North America, LLC has now completed its acquisition of the Element business through a court-approved process in the United States.

About MPS Limited

MPS Limited supports international publishers across every stage of the author-to-reader publishing process and provides a digital first strategy for publishers across content production, enhancement and transformation, delivery, and customer support. This digital focus spans across STM/academic, higher education, trade and directory markets.

MPS Limited offers a diverse geographic spread with production facilities in Dehradun, Noida, New Delhi, Gurgaon, Bengaluru, and Chennai, India and an editorial and marketing office in Portland, Oregon, United States of America.

About Element, LLC

Element, LLC is registered as a limited liability company under the laws of the State of Florida in the United States of America and provides full-service editorial, design and production services to the educational publishing market with expertise in developing turn-key solutions for print and online products. Element, LLC is engaged in developing content and products for learners of all ages in a broad range of curriculum and subjects, with specialization in pre-K and K-12 market sectors.
