Dear Sir/Madam,

**Subject: Rumour Verification/Denial**

MRPL has come across the article/tweet posted at Twitter/X.com by OilPrice.com(@OilandEnergy), wherein following is mentioned:

*"India state-controlled refiner MRPL has started shutting down parts of its 300,000 b/day Mangalore refinery due to feedstock shortages as Middle Eastern oil remains stuck in the Gulf".*

In this regard, we hereby clarify that, MRPL denies the aforesaid rumour/tweet which is factually incorrect and hereby confirms that *"MRPL is operating normal and it has lined-up adequate quantities of crude oil to sustain operations"*.

We request you to kindly take the above on record.

Thank you.

Yours faithfully,  
For Mangalore Refinery and Petrochemicals Limited
