The Company has retained the provision of Rs. 375.96 crores for this claim for the assessment years 1998-99, 1999-00 and 2000-2001, however, the demands on this account amounting to Rs. 243.22 crores for the assessment years 2001-02 to 2006-07 have been shown as contingent reserve to meet the contingency that may arise out of disallowances of claim of benefit u/s 80IA of Income Tax Act, 1961.
- 8 In the matter of settlement of bonds with Canara Bank and Canfina in earlier year, the arbitrator, Mr. A. P. Shah published the award on 03.03.2022 against the company for Rs. 160 crores with simple interest payable @6% P.A. from 21-10-1993 and Rs.0. 93 Crores as costs. MTNL filed OMP (COMM) No.312 of 2022 before Hon'ble Delhi High Court to set aside the Award along with an IA No.14319 Of 2022 seeking unconditional stay on the operation of said award. Further Canara Bank and Canfina also filed applications (Canara Bank's- OMP (ENF) (COMM) NO.147 of 2022 and CANFINA's OMP (ENF) (COMM) NO.155 of 2022) for enforcement of said award dated 03.03.2022. The company submitted the title deed of one of the properties as security before the Hon'ble Delhi High Court in terms of an order dated 10.05.2024. The next hearing of MTNL's OMP (COMM) No.312 of 2022 along with Canara Banks OMP and Canfina OMP is proposed on 19.11.2025.
- 9 Pursuant to the service agreement entered on 22.11.2024 (superseding the earlier agreement dated 18.08.2021) with BSNL, the entire telecom operations of the company in Delhi and Mumbai shall be run by BSNL w e f 01.01.2025. BSNL shall also take care of CAPEX and OPEX for the smooth running of operations and ensure EBIDTA neutral operations of the company. Also considering the continuous support from Govt of India, and the rearrangement of borrowing through the issue of Non-Convertible Debentures(NCDs) with waiver of guarantee fee and other measures, management made an assessment and decided to continue as a going concern.
- 10 Amount receivable from BSNL & Other Operators amounting to Rs. 3975.64 Crore have been reflected as other financial assets.

es to Standalone Financial Results:

- 11 The Amounts recoverable from Department of Telecommunication (DOT) of Rs. 6.52 Crore in respect of settlement of General Provident Fund (GPF) of Combined Service Optees absorbed employees is under review with DOT and hence continued to be shown as recoverable from DOT and payable to GPF.
- 12 Amount recoverable from DoT is Rs. 666.64 crores and amount payable is Rs.1084.37 crores. The net payable of Rs. 417.73 crores is subject to reconciliation and confirmation. There is no agreement between the MTNL and DoT for interest recoverable/payable on current account. Accordingly, no provision has been made for interest payable/receivable on balances during the year.
- 13 The payables towards license fees and spectrum usage charges have been adjusted with excess pension payouts to Combined Pensioners Optees recoverable from DOT in respect of which matter is under consideration and correspondence in going on between the Company and DOT.
- 14 The License agreement between Company and DOT does not have any guidance on change in method of calculation of Adjusted Gross Revenue (AGR) due to migration to Ind-AS from I-GAAP. Provisioning and payment of liability in respect of license fees and spectrum usage charges payable to DOT has been done on the basis of Ind-AS based financial statements. The amount of difference in computation of Adjusted Gross Revenue (AGR) is under consideration of DOT.
- 15 Dues from the Operators being on account of revenue sharing agreements are not treated as debtors and consequently are not taken into account for making provision for doubtful debts.
- 16 Certain immovable properties (includes the leasehold lands and buildings) transferred from Department of Telecommunications ('DoT') to MTNL in earlier years through a sale deed. These leasehold immovable properties have not been mutated or renewed in the name of MTNL till date. However, considering MTNL is a Public Sector Undertaking ('PSU'), the sale deed not registered at that time and executed by DOT is deemed to have been registered for the purpose of transfer of all such assets in terms of section 90 of the Indian registration act, 1908 as considered by the MTNL and stamp duty payable, if any, will be borne and paid by Government as and when any such occasion arises as per sale deed. Accordingly, these leasehold immovable properties have been classified by the management under the heading 'Right of Use assets'.
- 17 The GPF Trust is currently in the process of reconciling and recomputing its liabilities to determine the general provident fund payable to employees. The adjustments, if any, resulting from this recomputation/reconciliation will be recognized in the financial statements in the year the reconciliation is finalized.
- 18 In certain cases of freehold and leasehold land, the company is having title deeds which are in the name of the Company but the value of which are not lying in books of accounts.
- 19 Due to default in repayment of bank instalment/interest amounting Rs. 2659 crores, all loan accounts from banks have become Non-performing assets as on 30.06.2025. For the issue of mounting debts as well as other to be referred to Committee of Secretaries and same are at present under review and before COS recommend way forward in case of MTNL, the case for further support to MTNL to manage its working capital is being contemplated. Towards implementation of the SLA, certain customers in Delhi & Mumbai have been migrated to BSNL w.e.f. 01.01.2025 and revenue thereof is not being recognised by MTNL. Necessary guidelines/procedure for execution of the SLA are yet to be framed.
- 21 Previous Year/Quarter figures have been regrouped/rearranged wherever necessary to confirm to current period's classifications.

Independent Auditor's Review Report on Standalone Unaudited Financial Results of Mahanagar Telephone Nigam Limited for the Quarter and period ended June 30th 2025 pursuant to the Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended

To
The Board of Directors
Mahanagar Telephone Nigam Limited
Mahanagar Doorsanchar Sadan,
5th Floor, 9, CGO Complex,
Lodhi Road, New Delhi - 110003

1. We have reviewed the accompanying statement of unaudited standalone financial results of Mahanagar Telephone Nigam Limited ("the Company/MTNL") for the quarter ended June 30th, 2025 ("the Statement"), being submitted by the Company pursuant to the requirements of Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
2. This Statement, which is the responsibility of the Company's Management and approved by its Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" (Ind AS 34) prescribed under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued there under and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free from material misstatement. A review of interim financial information consists of making inquiries, primarily of Company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Adverse Conclusion

Based on our review conducted as above, we, considering the matters described in "Basis for Adverse Conclusion" (para 5) hereunder, give an adverse conclusion on accompanying statement of unaudited financial results for the quarter with respect to applicable Indian Accounting Standards, other recognized accounting practices, compliance of certain accounting principles and material misstatement in the accompanying results. However, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results and policies has failed to disclose the information required to be disclosed in terms of Regulation 33 and 52 of the SEBI (Listing

Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed.

Based on the review performed by us and the information provided by the Management of Mahanagar Telephone Nigam Limited, the basis for our adverse conclusion has been detailed in **Annexure - I** to this report.

- (viii) Notes No.15 regarding dues from the Operators being on account of revenue sharing agreements are not treated as debtors and consequently are not taken into account for making provision for doubtful debts.
- (ix) Note No.16 Certain immovable properties transferred from Department of Telecommunications (DOT) to MTNL in earlier years, which were taken on lease by DOT prior to incorporation of MTNL. On March 30, 1987, both DOT and MTNL entered into a sale deed for transfer of the several movable and immovable assets from DOT to MTNL. The said transfer includes the leasehold land and building which are now in possession of MTNL since the execution of the sale deed. These leasehold immovable properties have not been mutated or renewed in the name of MTNL till date. However,

considering MTNL is a Public Sector Undertaking (PSU), the sale deed not registered at that time and executed by DOT is deemed to have been registered for the purpose of transfer of all such assets in terms of section 90 of the Indian Registration Act, 1908 as considered by the MTNL and stamp duty payable, if any, will be borne and paid by Government as and when any such occasion arises as per sale deed. Accordingly, the leasehold immovable properties have been classified as management under the heading 'Right of Use Assets'.

- (x) Note No.17 Regarding amount payable to GPF trust is currently in the process of reconciling its liabilities to determine the provident fund payables to employees. The adjustment if any resulting from this re-computation/ reconciliation will be recognized once the reconciliation process is completed.
- (xi) Note No.18 In certain cases of freehold and leasehold land, the company is having title deeds which are in the name of the Company but the value of which are not lying in the books of accounts of the Company.
- (xii) Note No.19 Regarding defaults in bank loan repayment amounting to Rs.2,659 Crores, where such bank accounts have been declared as NPA by the respective banks. The company has initiated with the lender banks for possible resolution and settlement of such items.
- (xiii) In accordance with the requirement of section 149 of the Companies Act, the company does not have requisite number of independent directors.

Our conclusion is not modified in respect of aforesaid matters.

Annexure-I to the Independent Auditors' Review Report
(Referred to in Para 5 of our report of even date)

- i) The Net Worth of the Company has been fully eroded; the Company has incurred net cash loss during the quarter ended June 30th, 2025 as well as in the previous year and the current liabilities exceeded the current assets substantially. Further, during the quarter under review the Company has also defaulted in repayment of certain installments of term loan amounting to Rs. 1,868.61 Crores and interest on term loan amounting to Rs.790.59 Crores.

Furthermore, Department of Public Enterprises vide its Office Memorandum No. DPE/5(1)/2014-Fin. (Part-IX-A) has classified the status of the Company as "Incipient Sick CPSE". Department of Telecommunication (DOT) has also confirmed the status vide its issue no. I/3000697/ 2017 through file no. 19-17/2017-SU-II.

Pursuant to the Service Level Agreement (SLA) dated 22 November 2024 between MTNL and Bharat Sanchar Nigam Limited ("BSNL"), certain revenue of the company has been transferred to BSNL, the amount of which is not quantifiable. As a result of this transfer, MTNL has ceased to conduct direct billing and customer account management for its core telecom operations in these circles.

Although the Service Level Agreement (SLA) entrusts BSNL with operational responsibilities for MTNL's telecom services, it does not contain an explicit provision for transferring the revenue to BSNL.

Further, in accordance with the Service Level Agreement (SLA), while revenue from these operations is now being recognized by BSNL, the associated operational expenditure—including network maintenance, infrastructure upkeep, and employee costs—continues to be incurred by MTNL. This is against the matching principle of accounting, which requires that revenues and the corresponding expenses be recognized within the same reporting entity and period.

Additionally, the Company has availed credit facilities from banks secured against its current assets, including receivables from customers. However, the aforementioned transfer of billing and revenue recognition to BSNL adversely impacts the rights of lenders over future receivables, as these will no longer be recognized in MTNL's books. This shift diminishes the security available to lenders.

However, the standalone financial results of the Company have been prepared on a going concern basis keeping in view the majority stake of the Government of India.

Further, Union Cabinet has also approved the "Revival plan of BSNL and MTNL" by reducing employee costs, administrative allotment of spectrum for 4G services, debt restructuring by raising of sovereign guarantee bonds, monetization of assets and in principle approval for merger of BSNL and MTNL. Further, the Company implemented the Voluntary Retirement Scheme in FY 2019-20 resulted into reduction in Employees Cost and also raised funds by issuing Bonds for Rs. 6,500 Crore in FY 2020-21 in line with cabinet note.

As per F.NO.20-28/2022-PR dated August 2nd, 2022, the Union Cabinet in its meeting held on July 27th, 2022 had approved the raising of Sovereign Guarantee bonds for MTNL with a tenure of 10 years or more for an amount of Rs. 17,571 Crores with waiver of guarantee fee to repay its high-cost debt and restructure it with new sustainable loan.

Further, in view of unsustainable debts of MTNL, a Committee of Secretaries (COS) was constituted by Government of India to examine matters such as asset monetization, AGR dues, debt restructuring etc. for further course of action for merger of MTNL and BSNL. However, COS is reviewing various options submitted to them for solution of various issues related to MTNL which is under process.

- ii) The Company has recognized 'Other Income' amounting to Rs. 140.12 Crores, which constitutes approximately 73% of the total revenue of the Company for the Quarter ended 30th June 2025. This income majorly comprises of Interest Income, Rental Income and Profit on sale of Assets. As these amounts are not directly attributable to any reportable segment under Ind AS 108, these have been included under the 'Unallocable' section under segment reporting.
As a result, the Segment Revenues as reported under Segment Reporting, do not reflect the majority portion of the Company's revenue, which may limit the user's ability to fully assess the performance of each respective segment.
- iii) Due to/from Bharat Sanchar Nigam Limited (BSNL):
- a) The Company has certain balances receivable from and payables to Bharat Sanchar Nigam Limited (BSNL). The net amount recoverable of Rs. 3,566.83 Crores are subject to reconciliation and confirmation. In view of non-reconciliation and non-confirmation and in view of various pending disputes regarding claims and counter claims we are not in a position to ascertain and comment on the recoverability and the correctness of the outstanding balances and resultant impact of the same on the standalone financial result for the quarter ended June 30th, 2025 of the Company.
- b) The Company has not provided a provision for doubtful claims in respect of lapsed CENVAT Credit due to non-payment of service tax to service providers within the period of 180 days and due to transition provision under Goods and Service Tax (GST) where the aforesaid CENVAT credit amounting to Rs. 115.83 Crores have not been carried forward resulting in an overstatement of Current Assets and understatement of loss to that extent.
- iv) The Company has certain balances receivable from and payable to the Department of Telecommunication (DOT). The net amount payable of Rs.417.73 Crores subject to reconciliation and confirmation. In view of non-reconciliation and non-confirmation, we are not in a position to ascertain and comment on the recoverability and correctness of the outstanding balances and resultant impact of the same on the standalone financial results for the quarter ended June 30th, 2025 of the Company.
- v) The Company has certain balances recoverable from its debtors on account of service tax amounting to Rs. 172.54 Crores. The balance is recoverable from BSNL and various private parties which are subject to reconciliation and confirmation. Further identification of balance on account of BSNL and other parties are not available. In the absence of reconciliation and confirmation, we are not in a position to comment on the recoverability and correctness of the outstanding balance as above and resultant impact on standalone Ind AS financial statements of the Company for the quarter ended June 30th, 2025.
- vi) Up to the financial year 2011-12, License Fee payable to the DOT on IUC charges to BSNL was worked out on an accrual basis as against the terms of License agreements requiring deduction for expenditure from the gross revenue to be allowed on actual payment basis. From the financial year 2012-13 onwards, the license fee payable to the DOT has been worked out strictly in terms of the license agreements.
- vii) Apart from impairment losses previously recognized for CDMA assets, no further impairment has been accounted for under Ind AS 36 during the quarter ended June 30th 2025. Due to uncertainties in achieving the Company's future projections, we are unable to determine the adequacy of impairment provisions and their impact on the current quarter's loss.

viii) The Company does not follow a system of obtaining confirmations and performing reconciliation of balances in respect of amount receivables from trade receivables, deposits with Government Departments and others, claim recoverable from operators and other parties and amount payable to trade payables, claim payable to operators and amount payable to other parties.

Accordingly, the amount receivable from and payable to the various parties are subject to confirmation and reconciliation. Pending such confirmation and reconciliation, the impact thereof on the standalone financial results for the quarter ended June 30th, 2025, are not ascertainable and quantifiable.

ix) The company does not follow a system of reconciliation of the difference between TDS balance as per book and as per TDS certificate and form 26AS under Income-tax Act as applicable. Pending such reconciliation, the impact thereof if any on the standalone IND AS financial statement is not ascertainable and quantifiable.

x) Unlinked credit of Rs. 69.61 Crores on account of receipts from subscribers against billing by the Company which could not be matched with corresponding receivables is appearing as liabilities in the balance sheet. To that extent trade receivables and current liabilities are overstated. Pending reconciliations, the impact thereof on the standalone financial results for the quarter ended December 31st, 2025 are not ascertainable and quantifiable.

xi) Property, Plant and Equipment are generally capitalized on the basis of completion certificates issued by the engineering department or bills received by the finance department in respect of bought out capital items or inventory issued from the Stores. Due to delay in issuance of the completion certificates/ receipt of the bills/ receipt of inventory issue slips, there are cases where capitalization of the Property, Plant and Equipment gets deferred to next year. We are unable to comment whether the Capital Work- in-progress (CWIP) shown in books in the current quarter are actually part of CWIP or have already been commissioned. The resultant impact of the same on the standalone financial results for the quarter ended 30th June, 2025 by way of depreciation cannot be ascertained and quantified.

xii) Department of Telecommunication (DOT) had raised a demand of Rs. 3,313.15 Crores in 2012-13 on account of one-time charges for 2G spectrum held by the Company for GSM and CDMA for the period of license already elapsed and also for the remaining valid period of license including spectrum given on trial basis.

Also, as explained, pending finality of the issue by the Company regarding surrender of a part of the spectrum, crystallization of issue by the DOT in view of the claim being contested by private operators and because of the matter being sub-judice in the Court on account of dispute by other private operators on the similar demands, the amount payable if any, is indeterminate. Accordingly, no liability has been created for the demand made by DOT on this account and Rs. 3,205.71 Crores has been disclosed as contingent liability till FY 2018- 19 although no further demand is there from DOT till date. However as explained further, the TDSAT while setting aside the levy of OTC on spectrum allotted beyond 6.2 MHz directed Govt. to review the demand for spectrum allotted after July 1st, 2008 and that too w.e.f, January 1st, 2013 in case the spectrum beyond 6.2 MHz was allotted before January 1st, 2013. As explained as per the TDSAT orders also, no further demand has been raised till now and as per management based on TDSAT direction, the demand, if any, cannot be more than Rs. 455.15 Crores. The same is considered as contingent liability.

In view of the above we are not in a position to comment on the correctness of the stand taken by the Company and the ultimate implications of the same on the standalone financial results for the quarter ended June 30th, 2025 of the Company.

- xiii) The Company has recovered Electricity Charges from the tenants on which liability for Goods and Services Tax (GST) has not been considered as the expenses have been recovered without installing sub-meter in some of the cases. The actual impact of the same on the standalone financial results for the quarter ended June 30th, 2025 has not been ascertained and quantified.
- xiv) The TDS on provision for expenses (Accrued Liability) have not been deducted under chapter XVII- B of Income-tax Act, 1961. The actual impact of the same on the standalone financial results for the quarter ended June 30th, 2025, have not been ascertained and quantified.
- xv) The Company is making provision for interest for late/non-payment to MSME vendors, but such interest is not being paid to the vendors. The interest provision is further subject to deduction of tax under section 194A of Income -tax Act, 1961. The actual impact of the same on the standalone financial results for the quarter ended June 30th, 2025 has not been ascertained and quantified.
- xvi) The organization has recognized accrued income of Rs. 219.60 Crores from BSNL and other parties till the quarter ended 30th June 2025, as billing could not be processed due to a lack of confirmation from the parties or because the agreements with them have expired. However, the organization has not accounted for the GST liability despite the services already being rendered. This results in non-compliance with Section 13 and Section 31 of the CGST Act, 2017.
- xvii) The Company currently recognizes Expected Credit Loss (ECL) only on Trade Receivables and not on other financial assets, specifically claim recoverable. This accounting treatment is not in compliance with Ind AS 109 – Financial Instruments, which mandates that ECL should be recognized on all financial assets measured at amortized cost or at fair value through other comprehensive income, including claim recoverable. The ECL model adopted by the Company requires a comprehensive review to ensure full compliance with Ind AS 109. However, the financial impact of provisioning required under the following balances has not been considered by the Company.

Particulars	Amount (in Cr.)
Recoverable from IUC operators	408.81
Recoverable from Others	481.43
Total	890.25

In the absence of information, the effect of which can't be quantified, we are unable to comment on the possible impact of the items stated in the point nos. (i), (ii), (iii), (iv), (v), (vi), (vii), (viii), (ix), (x), (xi), (xii), (xiii), (xiv), (xv), (xvi), and (xvii), on the standalone financial result of the Company for the quarter ended June 30th, 2025.

The Company has retained the provision of Rs. 375.96 crores for this claim for the assessment years 1998-99, 1999-00 and 2000-2001, however, the demands on this account amounting to Rs. 243.22 crores for the assessment years 2001-02 to 2006-07 have been shown as contingent reserve to meet the contingency that may arise out of disallowances of claim of benefit u/s 80IA of Income Tax Act, 1961.
- In the matter of settlement of bonds with Canara Bank and Canfina in earlier year, the arbitrator, Mr. A. P. The next hearing of MTNL's OMP (COMM) No.312 of 2022 along with Canara Banks OMP and Canfina OMP is proposed on 19.11.2025.

Notes to Consolidated Financial Results:

- 9 Pursuant to the service agreement entered on 22.11.2024 (superseding the earlier agreement dated 18.08.2021) with BSNL, the entire telecom operations of the company in Delhi and Mumbai shall be run by BSNL w.e.f 01.01.2025. BSNL shall also take care of CAPEX and OPEX for the smooth running of operations and ensure EBIDTA neutral operations of the company. Also considering the continuous support from Govt of India, and the rearrangement of borrowing through the issue of Non-Convertible Debentures(NCDs) with waiver of guarantee fee and other measures, management made an assessment and decided to continue as a going concern.
- 10 Amount receivable from BSNL & Other Operators amounting to Rs. 3975.64 Crore have been reflected as other financial assets.
- 11 The Amounts recoverable from Department of Telecommunication (DOT) of Rs. 6.52 Crore in respect of settlement of General Provident Fund (GPF) of Combined Service Optees absorbed employees is under review with DOT and hence continued to be shown as recoverable from DOT and payable to GPF.
- 12 Amount recoverable from DoT is Rs. 666.64 crores and amount payable is Rs.1084.37 crores. The net payable of Rs. 417.73 crores is subject to reconciliation and confirmation. There is no agreement between the MTNL and DoT for interest recoverable/payable on current account. Accordingly, no provision has been made for interest payable/receivable on balances during the year.
- 13 The payables towards license fees and spectrum usage charges have been adjusted with excess pension payouts to Combined Pensioners Optees recoverable from DOT in respect of which matter is under consideration and correspondence in going on between the Company and DOT.
- 14 The License agreement between Company and DOT does not have any guidance on change in method of calculation of Adjusted Gross Revenue (AGR) due to migration to Ind-AS from I-GAAP. Provisioning and payment of liability in respect of license fees and spectrum usage charges payable to DOT has been done on the basis of Ind-AS based financial statements. The amount of difference in computation of Adjusted Gross Revenue (AGR) is under consideration of DOT.
- 15 Dues from the Operators being on account of revenue sharing agreements are not treated as debtors and consequently are not taken into account for making provision for doubtful debts.
- 16 Certain immovable properties (includes the leasehold lands and buildings) transferred from Department of Telecommunications ('DoT') to MTNL in earlier years through a sale deed. These leasehold immovable properties have not been mutated or renewed in the name of MTNL till date. However, considering MTNL is a Public Sector Undertaking ('PSU'), the sale deed not registered at that time and executed by DOT is deemed to have been registered for the purpose of transfer of all such assets in terms of section 90 of the Indian registration act, 1908 as considered by the MTNL and stamp duty payable, if any, will be borne and paid by Government as and when any such occasion arises as per sale deed. Accordingly, these leasehold immovable properties have been classified by the management under the heading 'Right of Use assets'.
- 17 The GPF Trust is currently in the process of reconciling and recomputing its liabilities to determine the general provident fund payable to employees. The adjustments, if any, resulting from this recomputation/reconciliation will be recognized in the financial statements in the year the reconciliation is finalized.
- 18 In certain cases of freehold and leasehold land, the company is having title deeds which are in the name of the Company but the value of which are not lying in books of accounts.
- 19 Due to default in repayment of bank instalment/interest amounting Rs. 2659 crores, all loan accounts from banks have become Non-performing assets as on 30.06.2025. The company has initiated with the lender banks for possible resolution and settlement of such loans. The outstanding term loans of the lending banks except for two banks, which have called for repayment, have been shown under current maturities in short-term current borrowings.
- 20 Pursuant to the service agreement(SLA) entered on 22-11-2024 with BSNL, the entire telecom operations of company in Delhi & Mumbai are being run by BSNL w.e.f. 01-01-2025. BSNL shall also take care of CAPEX & OPEX for the smooth running of operation and ensure EBIDTA neutral operation of the company. For the issue of mounting debts as well as other to be referred to Committee of Secretaries and same are at present under review and before COS recommend way forward in case of MTNL, the case for further support to MTNL to manage its working capital is being contemplated. Towards implementation of the SLA, certain customers in Delhi & Mumbai have been migrated to BSNL w.e.f. 01.01.2025 and revenue thereof is not being recognised by MTNL. Necessary guidelines/procedure for execution of the SLA are yet to be framed.
- 21 Previous Year/Quarter figures have been regrouped/rearranged wherever necessary to confirm to current period's classifications.

Independent Auditor' Review Report on Unaudited Consolidated Financial Results of Mahanagar Telephone Nigam Limited for the Quarter and period Ended June 30th, 2025 pursuant to the Regulations 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended

To
The Board of Directors
Mahanagar Telephone Nigam Limited
Mahanagar Doorsanchar Sadan,
5th Floor, 9, CGO Complex,
Lodhi Road, New Delhi – 110003

1. We have reviewed the accompanying statement of consolidated unaudited financial results of **Mahanagar Telephone Nigam Limited** ("the Holding Company / MTNL") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), and its share of the net loss after tax and total comprehensive income of its joint venture for the quarter ended June 30th, 2025 ("the Statement"), being submitted by the Holding Company pursuant to the requirement of Regulations 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
2. This Statement, which is the responsibility of the Holding Company's Management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free from material misstatement. A review of interim financial information consists of making inquiries, primarily of Company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Circular No. CIR/CFD/CMDI/44/ 2019 dated March 29th, 2019 issued by the Securities and Exchange Board of India under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent

applicable.

4. The Statement includes the results of the following entities:

Millenium Telecom Limited	Wholly Owned Indian Subsidiary
Mahanagar Telephone (Mauritius) Limited	Wholly Owned Overseas Subsidiary
MTNL STPI IT Services Limited	Joint Venture

5. **Adverse Conclusion**

Based on our review conducted as above, we, considering the matters described in "Basis for Adverse Conclusion" (para 5) hereunder, give an adverse conclusion on accompanying statement of unaudited financial results for the quarter with respect to applicable Indian Accounting Standards, other recognized accounting practices, certain accounting principles and material misstatement in the accompanying results. However, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results and policies has failed to disclose the information required to be disclosed in terms of Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed.

6. **Basis for Adverse Conclusion**

Based on the review performed by us and the information provided by the Management of Mahanagar Telephone Nigam Limited, the basis for our adverse conclusion has been detailed in **Annexure - I** to this report.

7. **Emphasis of Matter**

We draw to attention to the following notes to the unaudited consolidated financial results:

- (i) Note no.6 Loan given by Government of India amounting to Rs. 1827.60 Crores for payment of Interest on Sovereign bonds does not stipulate terms regarding interest thereon. Therefore, the company has not provided any interest as aforesaid.
- (ii) Notes No.7 regarding pending dispute with the Income Tax Department before the Hon'ble Courts regarding deduction claimed by the Company u/s 80IA of the Income Tax Act, 1961, The company has created the Contingency reserve of Rs.243.22 Crores in this regard.
- (iii) Note No.9 The Service Level Agreement entered on 22.11.2024 (superseding the earlier agreement dated 18.08.2021) with BSNL, the entire telecom operations of the company in Delhi and Mumbai shall be run by BSNL w.e.f. 01.01.2025. BSNL shall also take care of CAPEX and OPEX for smooth running of operations and ensure EBITDA neutral operations of the Company.
- (iv) Note No.10 Amount receivable from BSNL & Other Operators have been reflected as other financial assets instead of bifurcating the same into trade receivables and other financial assets.
- (v) Note No.11 regarding the amount recoverable from Department of Telecommunications ("DOT") in respect of settlement of General Provident Fund (GPF) amounting to Rs.6.52 Crores of Combined Service Optees absorbed employees in MTNL and the matter is still under review with DOT and the full

amount of GPF including interest thereon, is continued to be shown as recoverable from DOT and payable to GPF.

- (vi) Note No.13 stating that the payables towards license fees and spectrum usage charges have been adjusted with excess pension payouts to Combined Pensioners Optees recoverable from DOT in respect of which matter is under consideration and correspondence is going on between the Company and DOT.
- (vii) Note No.14 stating that the License agreement between Company and DOT does not have any guidance on change in method of calculation of Adjusted Gross Revenue (AGR) due to migration to Ind-AS from i-GAAP. Provisioning and payment of liability in respect of license fees and spectrum usage charges payable to DOT have been done on the basis of Ind-AS based financial statements. The amount of difference in computation of Adjusted Gross Revenue (AGR) is under consideration of DOT.
- (viii) Note No. 15 Regarding dues from the Operators being on account of revenue sharing agreements are not treated as debtors and consequently are not taken into account for making provision for doubtful debt.

The said transfer includes the leasehold land and building which are now in possession of MTNL since the execution of the sale deed. These leasehold immovable properties have not been mutated or renewed in the name of MTNL till date. However, considering MTNL is a Public Sector Undertaking (PSU), the sale deed not registered at that time and executed by DOT is deemed to have been registered for the purpose of transfer of all such assets in terms of section 90 of the Indian Registration Act, 1908 as considered by the MTNL and stamp duty payable, if any, will be borne and paid by Government as and when any such occasion arises as per sale deed. Accordingly, the leasehold immovable properties have been classified as management under the heading 'Right of Use Assets'.
- (x) Note No.17 Regarding amount payable to GPF trust is currently in the process of reconciling its liabilities to determine the provident fund payables to employees. The adjustment if any resulting from this re-computation/ reconciliation will be recognized once the reconciliation process is completed.
- (xi) Note No.18 In certain cases of freehold and leasehold land, the company is having title deeds which are in the name of the Company but the value of which are not lying in the books of accounts of the Company.
- (xii) Note No.19 Regarding defaults in bank loan repayment amounting to Rs.2,659 Crores, where such bank accounts have been declared as NPA by the respective banks except one bank. The company has initiated with the lender banks for possible resolution and settlement of such items.
- (xiii) In accordance with the requirement of section 149 of the Companies Act, the company does not have requisite number of independent directors.

Our conclusion is not modified in respect of the aforesaid matters.

Annexure - I to the Independent Auditors' Review Report

(Referred to in Para 6 of our report of even date)

- i) The Net Worth of the Company has been fully eroded; the Company has incurred net cash loss during the quarter ended June 30th, 2025 as well as in the previous year and the current liabilities exceeded the current assets substantially. Further, during the quarter under review the Company has also defaulted in repayment of certain installments of term loan amounting to Rs. 1868.61 Crores and interest on term loan amounting to Rs.790.59 Crores.

Furthermore, Department of Public Enterprises vide its Office Memorandum No. DPE/5(1)/2014-Fin. (Part-IX-A) has classified the status of the Company as "Incipient Sick CPSE". Department of Telecommunication (DOT) has also confirmed the status vide its issue no. I/3000697/ 2017 through file no. 19-17/2017-SU-II.

Pursuant to the Service Level Agreement (SLA) dated 22 November 2024 between MTNL and Bharat Sanchar Nigam Limited ("BSNL"), certain revenue of the company has been transferred to BSNL, the amount of which is not quantifiable. As a result of this transfer, MTNL has ceased to conduct direct billing and customer account management for its core telecom operations in these circles.

Although the Service Level Agreement (SLA) entrusts BSNL with operational responsibilities for MTNL's telecom services, it does not contain an explicit provision for transferring the revenue to BSNL.

Further, in accordance with the Service Level Agreement (SLA), while revenue from these operations is now being recognized by BSNL, the associated operational expenditure—including network maintenance, infrastructure upkeep, and employee costs—continues to be incurred by MTNL. This is against the matching principle of accounting, which requires that revenues and the corresponding expenses be recognized within the same reporting entity and period.

Additionally, the Company has availed credit facilities from banks secured against its current assets, including receivables from customers. However, the aforementioned transfer of billing and revenue recognition to BSNL adversely impacts the rights of lenders over future receivables, as these will no longer be recognized in MTNL's books. This shift diminishes the security available to lenders.

However, the standalone financial results of the Company have been prepared on a going concern basis keeping in view the majority stake of the Government of India.

Further, Union Cabinet has also approved the "Revival plan of BSNL and MTNL" by reducing employee costs, administrative allotment of spectrum for 4G services, debt restructuring by raising of sovereign guarantee bonds, monetization of assets and in principle approval for merger of BSNL and MTNL. Further, the Company implemented the Voluntary Retirement Scheme in FY 2019-20 resulted into reduction in Employees Cost and also raised funds by issuing Bonds for Rs. 6,500 Crores in FY 2020-21 in line with cabinet note.

As per F.NO.20-28/2022-PR dated August 2nd, 2022, the Union Cabinet in its meeting held on July 27th, 2022 had approved the raising of Sovereign Guarantee bonds for MTNL with a tenure of 10 years or more for an amount of Rs. 17,571 Crores with waiver of guarantee fee to repay its high-cost debt and restructure it with new sustainable loan.

Further, in view of unsustainable debts of MTNL, a Committee of Secretaries (COS) was constituted by

Government of India to examine matters such as asset monetization, AGR dues, debt restructuring etc. for further course of action for merger of MTNL and BSNL. However, COS is reviewing various options submitted to them for solution of various issues related to MTNL which is under process.

- ii) The Holding Company has recognized 'Other Income' amounting to Rs. 141.39 Crores, which constitutes approximately 68% of the total revenue of the Company for the Quarter ended 30th June 2025. This income majorly comprises of Interest Income, Rental Income and Profit on sale of Assets. As these amounts are not directly attributable to any reportable segment under Ind AS 108, these have been included under the 'Unallocable' section under segment reporting.
As a result, the Segment Revenues as reported under Segment Reporting, do not reflect the majority portion of the Company's revenue, which may limit the user's ability to fully assess the performance of each respective segment.
- iii) Due to/from Bharat Sanchar Nigam Limited (BSNL):
- The Holding Company has certain balances receivable from and payables to Bharat Sanchar Nigam Limited (BSNL). The amount recoverable of Rs.3,566.83 Crores is subject to reconciliation and confirmation. In view of non-reconciliation and non-confirmation and in view of various pending disputes regarding claims and counter claims, we are not in a position to ascertain and comment on the recoverability and correctness of the outstanding balances and resultant impact of the same on the consolidated financial results for the quarter ended June 30th, 2025, of the Group including its joint venture.
 - The Holding Company has not provided a provision for doubtful claims in respect of lapsed CENVAT Credit due to non-payment of service tax to service providers within the period of 180 days and due to transition provision under Goods and Service Tax (GST) where the aforesaid CENVAT credit amounting to Rs.115.83 Crores have not been carried forward resulting in overstatement of Current Assets and understatement of loss to that extent.
- iv) The Holding Company has certain balances receivables from and payables to Department of Telecommunication (DOT). The net amount payable of Rs.417.73 Crores, is subject to reconciliation and confirmation. In view of non-reconciliation and non-confirmation, we are not in a position to ascertain and comment on the recoverability and correctness of the outstanding balances and resultant impact of the same on the Consolidated financial results of the Group including its joint venture.
- v) The Holding Company has certain balances recoverable from its debtors on account of service tax amounting to Rs. 172.54 Crores. The balance is recoverable from BSNL and various private parties which are subject to reconciliation and confirmation. Further identification of balance on account of BSNL and other parties are not available. In the absence of reconciliation and confirmation we are not in a position to comment on the correctness of the outstanding balance as above and resultant impact on Consolidated financial results of the Group including its joint venture.
- vi) Up to the financial year 2011-12, License Fee payable to the DOT on IUC charges to BSNL was worked out on accrual basis as against the terms of License agreements requiring deduction for expenditure from the gross revenue to be allowed on actual payment basis. From financial year 2012-13 onwards the license fee payable to the DOT has been worked out strictly in terms of the license agreements.
- vii) Apart from impairment losses previously recognized for CDMA assets, no further impairment has been accounted for under Ind AS 36 during the quarter ended June 30th 2025. Due to uncertainties in achieving

the Company's future projections, we are unable to determine the adequacy of impairment provisions and their impact on the current quarter's loss.

- viii) The Holding Company does not follow a system of obtaining confirmations and performing reconciliation of balances in respect of amount receivables from trade receivables, deposits with Government Departments and others, claim recoverable from operators and others parties and amount payables to trade payables, claim payable to operators, and amount payable to other parties.

Accordingly, amount receivables from and payable to the various parties are subject to confirmation and reconciliation. Pending such confirmation and reconciliations, the impact thereof on the Consolidated financial results are not ascertainable and quantifiable.

- ix) The Holding Company does not follow a system of reconciliation of difference between TDS balance as per book and as per TDS certificate and form 26AS under Income-tax Act as applicable. Pending such reconciliation the impact thereof if any on the Consolidated Ind- AS financial statement is not ascertainable and quantifiable.
- x) Unlinked credit of Rs.69.61 Crores on account of receipts from subscribers against billing by the Holding Company which could not be matched with corresponding receivables is appearing as liabilities in the balance sheet. To that extent, trade receivables and current liabilities are overstated. Pending reconciliations, the impact thereof on the Consolidated financial results are not ascertainable and quantifiable.
- xi) Property, Plant and Equipment are generally capitalized on the basis of completion certificates issued by the engineering department or bills received by finance department in respect of bought out capital items or inventory issued from the Stores. Due to delays in issuance of the completion certificates or receipt of the bills or receipt of inventory issue slips, there are cases where capitalization of the Property, Plant and Equipment gets deferred to next year. We are unable to comment whether the Capital Work-in-progress (CWIP) shown in books in the current year are actually part of CWIP or have already been commissioned. The resultant impact of the same on the Consolidated financial results for the quarter ended 30th June, 2025 by way of depreciation cannot be ascertained and quantified.
- xii) Department of Telecommunication (DOT) had raised a demand of Rs. 3,313.15 Crores in 2012-13 on account of one-time charges for 2G spectrum held by the Company for GSM and CDMA for the period of license already elapsed and also for the remaining valid period of license including spectrum given on trial basis.

Also as explained, pending finality of the issue by the Holding Company regarding surrender of a part of the spectrum, crystallization of issue by the DOT in view of the claim being contested by private operators and because of the matter being sub-judice in the Court on account of dispute by other private operators on the similar demands the amount payable if any, is indeterminate. Accordingly, no liability has been created for the demand made by DOT on this account and Rs. 3,205.71 Crores has been disclosed as contingent liability till FY 2018- 19 although no further demand is there from DOT till date. However as explained further, the TDSAT while setting aside the levy of OTC on spectrum allotted beyond 6.2 MHz directed Govt. to review the demand for spectrum allotted after July 1st, 2008 and that too w.e.f, January 1st, 2013 in case the spectrum beyond 6.2 MHz was allotted before January 1st, 2013. As explained as per the TDSAT orders also no further demand has been raised till now and as per management based on TDSAT direction the demand, if any cannot be more than Rs. 455.15 Crores the same is considered as contingent liability.

In view of the above we are not in a position to comment on the correctness of the stand taken by the Holding Company and the ultimate implications of the same on the consolidated financial results for the quarter ended June 30th, 2025 of the Holding Company including its joint venture.

- xiii) The Holding Company has recovered Electricity Charges from the tenants on which liability for Goods and Services Tax (GST) has not been considered as the expenses have been recovered without installing sub meter in some of the cases. The actual impact of the same on the consolidated financial results for the quarter ended June 30th, 2025 has not been ascertained and quantified.
- xiv) The TDS on provision for expenses have not been deducted under chapter XVII- B of Income Tax Act, 1961. The actual impact of the same on the consolidated financial results for the quarter ended June 30th, 2025, have not been ascertained and quantified.
- xv) The Holding Company is making provision for interest for late/non-payment to MSME vendors, but such interest is not being paid to the vendors. The interest provision is further subject to deduction of tax under section 194A of Income Tax Act, 1961. The actual impact of the same on the consolidated financial results for the quarter ended June 30th, 2025 has not been ascertained and quantified.
- xvi) The organization has recognized accrued income of Rs. 219.60 Crores from BSNL and other parties, till the quarter ended 30th June 2025, as billing could not be processed due to a lack of confirmation from the parties or because the agreements with them have expired. However, the organization has not accounted for the GST liability despite the services already being rendered. This results in non-compliance with Section 13 and Section 31 of the CGST Act, 2017.
- xvii) The Holding Company currently recognizes Expected Credit Loss (ECL) only on Trade Receivables and not on other financial assets, specifically claims recoverable. This accounting treatment is not in compliance with Ind AS 109 – Financial Instruments, which mandates that ECL should be recognized on all financial assets measured at amortized cost or at fair value through other comprehensive income, including claim recoverable. The ECL model adopted by the Company requires a comprehensive review to ensure full compliance with Ind AS 109. However, the financial impact of provisioning required under the following balances has not been considered by the Company

Particulars	Amount (in Cr.)
Recoverable from IUC operators	408.81
Recoverable from Others	481.43
Total	890.25

In the absence of information, the effect of which can't be quantified, we are unable to comment on the possible impact of the items stated in the point nos. (i), (ii), (iii), (iv), (v), (vi), (vii), (viii), (ix), (x), (xi), (xii), (xiii), (xiv), (xv), (xvi), and (xvii), on the consolidated financial result of the Company for the quarter ended June 30th, 2025.
