**Mufin Green Finance Limited Empanelled with Government of Assam to Offer Instant Loans via HRMS**

**March 01, 2026**

Mufin Green Finance Limited has been empanelled with the Government of Assam to provide instant loans to more than 5 lakh Assam Government employees directly through the state's Human Resource Management System (HRMS).

This integration enables seamless, real-time access to financing for over five lakh government employees across Assam. Through the HRMS platform, employees can apply for loans and receive approvals instantly — ensuring 24/7 access to funds without delays or paperwork hurdles.

Thousands of public sector employees are expected to benefit from the streamlined and transparent loan process. The initiative aligns with broader national objectives of promoting financial inclusion and enhancing access to responsible credit for government staff.

Mr. Kapil Garg, Managing Director of Mufin Green Finance, stated:

*“Our integration in Assam marks a significant step in democratizing finance after successful integration with Government of Rajasthan. We're thrilled to empower over 20 lakh employees with accessible, round-the-clock lending in the State of Assam and Rajasthan.”*

With this expansion in Assam, Mufin Green Finance continues to strengthen its presence across states, fostering financial responsibility, convenience, and economic growth.
