Dr. T. VIJAYAKUMAR, I.R.S.
Chairman & Managing Director
MADRAS FERTILIZERS LIMITED
Manali, Chennai - 600 068.

Note :

- 1 Ammonia and Urea Plants were shut down from Feb. 26, 2014 on achieving 100% capacity utilization in Urea Plant. Hence, annual Statutory inspection of Boilers and other Maintenance activities were taken up.
- 2 Complex Fertilizer Plants were shut down during the quarter on account of Non-announcement of matching subsidy for Nutrient "N", Adverse marketing condition, etc.
- 3 Fertilizer manufacture is the only main business segment and trading operations are less than 10% of the total revenue. Further, the Company is engaged in providing and selling its products in single economic environment in India i.e., there is a single geographical segment. Hence, there is no requirement of segment reporting for the Company as per AS 17 (Segment Reporting).
- 4 A provision of ₹ 5.76 Cr towards Income Tax liability has been made during the year as the entire carried forward losses and unabsorbed depreciation available for set off had fully wiped off.
- 5 The draft rehabilitation scheme (DRS) submitted by the Operating Agency to BIFR is presently under the perusal and consideration of GOI. The BIFR hearing scheduled to be held on Jan. 13, 2014 stands postponed and the date for the next hearing is yet to be announced.
6. The above results have been reviewed and recommended by the Audit Committee and approved by the Board of Directors at their meeting held on 26.05.2014.
