Sub: Clarification on Discrepancies Observed in XBRL Filing of Financial Results

Dear Sir/Madam,

This is with reference to your email dated June 27, 2026, regarding the clarification sought on the Outcome of Board Meeting – Financial Results submitted by Mahickra Chemicals Limited on May 30, 2026.

In this regard, we wish to clarify that the discrepancies observed in the XBRL filing, namely:

- 1) The mismatch in the Earnings Per Share (EPS) in the Consolidated XBRL vis-à-vis the PDF financial results, and
- 2) The Non-Disclosure of "Reserves excluding Revaluation Reserve" in the Standalone XBRL, were purely inadvertent clerical/typographical errors that occurred during the preparation of the XBRL filing.

We confirm that there is no change whatsoever in the financial results as approved by the Board of Directors and submitted to the Exchange in PDF format. The discrepancies were limited to the XBRL filing and have since been rectified by filing the revised Integrated XBRL with the requisite corrections.

The Company remains committed to maintaining the highest standards of corporate governance and regulatory compliance. We regret the inadvertent errors and have strengthened our internal review process to avoid recurrence of such instances.

We request you to kindly take the above clarification on record and treat the matter as complied with.

Thanking you

Yours faithfully,
For, Mahickra Chemicals Limited
