Wipro Climbs to Number 14 in the Healthcare Informatics 100 Ranking

East Brunswick, New Jersey, USA and Bangalore, India – June 14, 2017: Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading global information technology, consulting and business process services company today announced that it has been positioned at number 14 amongst the top service providers in The Healthcare Informatics 100 – an annual ranking of Healthcare IT service providers by revenue. Based on its healthcare customer revenue, Wipro has moved up 46 positions over the last four years. The Healthcare Informatics 100 is a list that has been ranking, for over 20 years, vendors with the highest revenues derived from healthcare IT products and services earned in the U.S.

Through its technology expertise, investments in Intellectual Property and collaborations with leading industry partners, Wipro brings leading-edge technology solutions to its clients in areas such as Medicare, population health management and digital patient solutions. Wipro helps customers solve real world health problems by leveraging its healthcare domain expertise and experience in digital technologies, hyper automation and analytics.

Jeffrey Heenan Jalil, Senior Vice President and Global Head, Healthcare, Life Sciences and Services, Wipro Limited said, "We are extremely pleased to be amongst the top 15 in The Healthcare Informatics 100. It is a reflection of Wipro's consistent effort towards the growth and continued innovation in the healthcare domain across the globe. The rise in our ranking, over the last four years, is symbolic of the immense faith that our clients have placed in us, as we apply our experience and expertise in technological innovation to serve as a catalyst for far-reaching changes in the healthcare industry. It is fulfilling to receive accolades for a mission that is leading to better healthcare outcomes and thereby, making a difference in people's lives."

The Healthcare Informatics 100 listing provides readers with an information resource and financial overview of vendors active in the healthcare IT market. "We believe that The Healthcare Informatics 100 offers a unique service to our industry, and is uniquely referenced by professionals throughout the field every year," said **Mark Hagland, Editor-in-Chief of Healthcare Informatics.**

Forward-looking and Cautionary Statements

Certain statements in this release concerning our future growth prospects are forward-looking statements, which involve a number of risks, and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property, and general economic conditions affecting our business and industry. Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission. These filings are available at www.sec.gov. We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
