Dear Sirs,

With reference to above referred matter, we would like to bring to your kind notice that Priti International Limited (Symbol: PRITI) has been listed with National Stock Exchange at EMERGE Portal on June 21st, 2018. The First half year for which the company was required to submit its financial results was ending on September 30th, 2018. In line with regulation 33, the company was required to submit the financial results within 45 days from the end of the half year that is upto November 14th, 2018. This is to inform you that Unaudited Standalone Financial Results of the Company were approved by the Board of Directors at their meeting held on i.e. 15th November, 2018, thereby resulting in delay of submission of the results by 1 day.

It is firm submission of the company that the delay caused in filing the Financial Results was due to some sufficient cause and is not of a nature to prejudice the interest of the stakeholders of the Company. Being the first reporting period after getting listed, the company was in the process of establishing the system of proper reporting mechanism. Further, the said delay by 1 day is not of a substantial period of time. In consideration of the facts of the company, the exchange is requested to grant condonation of 1 days delay and waive the fine imposed on the Company.

Thanking you,

Yours Faithfully
