Sub.: Response for clarification on Delayed Compliance of Listing Regulation 33.

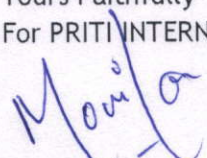

Dear Sirs,

With reference to above referred matter, we would like to bring to your kind notice that Priti International Limited (Symbol: PRITI) has been listed with National Stock Exchange at EMERGE Portal on June 21st, 2018. The First half year for which the company was required to submit its financial results was ending on September 30th, 2018. In line with regulation 33, the company was required to submit the financial results within 45 days from the end of the half year that is upto November 14th, 2018. This is to inform you that Unaudited Standalone Financial Results of the Company were approved by the Board of Directors at their meeting held on i.e. 15th November, 2018, thereby resulting in delay of submission of the results by 1 day.

The main reason of delay of submission of financial results at NEAPS portal was that the Limited review of the financial results could be completed by November 15th, 2018. After said limited review only, the company could be submitting the results.

Thanking you,

Yours Faithfully
For PRITI INTERNATIONAL LIMITED
