Mr. Nagendra Mehta, Hon Secretary, Imitation Jewelry Manufacturers' Association (IJMA) Cuts Ribbon Before Unveiling Micro Portable Black Box (Micro PBB) At The Fashion Jewelry & Accessories Show On April 7, 2013 At The Bombay Exhibition Center, Goregaon East, Mumbai

Micro Portable Black Box is Officially Launched. Present (L-R) Messrs Dalpat Bable (Treasurer-IJMA), Milind Londhe (Chief Communication Officer, Micro Technologies (India) Ltd.), Nagendra Mehta, Hon. Secretary, IJMA and Mohan Iyer, Vice President, IJMA

Mumbai, April 7, 2013

Micro Technologies (India) Ltd, (**MTIL: BSE 532494 & NSE: MICROTECH**) a leading global developer and marketer of security devices and solutions today announces that it has introduces Micro Portable Black Box that provides advanced security to goods -in- transit. The company unveiled Micro PBB at the Fashion Jewellery and Accessories Show at the Bombay Exhibition Center at Goregaon in the north-western suburb of Mumbai. According to jewellers in this exhibition portable high value goods are most vulnerable to be lost or stolen which is one of the main reasons to introduce this effective Black Box to curb such untoward incidents.

Introducing Micro Portable Black Box [**Micro PBB**], Mr. Milind Londhe Chief Communication Officer said, "The days of uncertainty about goods-in-transit are over. The security of the consignment can be managed better by the consignor and the consignee through a mobile phone. With Micro PBB one can dispatch any valuable item without any tension as it takes care of their safety while en route. Looking forward to the upcoming need of valuable consignment articles, it's showcased herein this exhibition to one of the sensitive domains namely jewelry" "

YOUR SECURITY IS OUR CONCERN

Unveiling Micro Portable Black Box at Micro Retail Booth at the Exhibition, Mr. Nagendra Mehta, Hon. Secretary, Imitation Jewelry Manufacturers' Association remarked, "I congratulate Micro Technologies India) Limited on introducing Micro Portable Black Box. It is a nice product for the safety and security of jewelry. It is a very innovative idea and would fulfill the security requirements."

"The Micro Portable Black Box is very useful product to Jewelry Industry. I strongly recommend to our industry so that everybody benefits from its usage," added Mr. Mohan Iyer Vice President, Imitation Jewelry Manufacturers' Association

This innovative solution emerged due to increasing demand on safety and security of movable assets by the industry; this solution effectively protects the assets of a businessmen, corporate, banks & other allied services. **Micro PBB** is a real-time portable consignment security device, which can be used for the safe and secure consignment movement. It provides over-the-air security by SMS commands. It also has many useful features such as **SMS Alerts & Notifications, GPS Location Tracking, Locking and Unlocking Facilities for the consigner from anywhere at any time.** With **Micro PBB** both the consigner and the consignee can be relieved from hassles while the goods are in-transit. This solution is targeted at high value transactions. Currency notes, jewellery, gold and other valuable items can be transhipped from one place to any corner on the globe safely and securely.
