PRESS RELEASE

MICRO TECHNOLOGIES EXPANDS ITS SECURITY SOLUTIONS FOR BERMUDA AND CARABIAN COUNTRIES

- Signs Pact with Bermudian based company G.E.T. Ltd
- City Surveillance Project Worth Over USD 10 Million
- Association Opens MTIL Caribbean Market

Mumbai, July 10, 2012

Micro Technologies (India) Ltd(BSE: 532494 & NSE : MICROTECH) a leading global developer and marketer of security solutions provider announces today that it has signed a formal agreement with G.E.T. Ltd , Hamilton ,Bermuda based company for offering its security products and solutions with an yearly commitment of USD 10 million after successful installation for City Surveillance Project in this small North Atlantic nation spread over 80 islands.

Micro Technologies is already actively present in 32 countries around the world. With this project both MTIL and G.E.T. Ltd aim to assist Bermuda in identifying challenges of managing risks in the current set up, and contributing to address those challenges successfully. In short, this project lays a strong foundation for an effective SIKR protection, prevention of disaster, timely response, mitigation and recovery.

Micro Technologies is glad to partner with G.E.T. of Bermuda. Our association with this blue chip company will help us establish a beachhead to enter the growing Caribbean market and serve the region well, " said Mr. Ganapathy V, CEO, Micro Technologies India Ltd after signing the landmark agreement.

"G.E.T. Ltd is very excited about our New Business partnership with Micro Technologies in both Bermuda and the neighbouring Caribbean Islands. We are currently working on a few projects to enhance the type of technologies that may not be currently available in Bermuda and in the Caribbean. We are looking forward to accelerate our business with our partner Micro Technologies in the Insurance, City Surveillance and GPS Mapping to name a few of the projects we are working together" said Kevin Smith , President & CEO , G.E.T. Ltd.
