Sir
BU

**MICRO TECHNOLOGIES NOMINATED TO RECEIVE 'INTERNATIONAL
SOCRATES AWARD'**

- Wins 'The Best Enterprise Award'
- Adorns the European List of Reliable Partners
- Awards Ceremony in London on March 21

Micro Technologies India Ltd (BSE: 532494 & NSE: MICROTECH), India's leading security solutions provider has been nominated to receive the prestigious 'International Socrates Award' by the European Business Assembly. The Award acknowledges the outstanding achievements by Micro Technologies India Limited

An official communication to this effect has been received by the company from Mr. John W A Netting, Director General, European Business Assembly. It says, "The European Business Assembly Expert Council has decided to nominate Micro Technologies to be awarded with the international award 'Best Enterprises' The enterprise is added to the European list of reliable partners and dynamic companies."

The impressive Awards Ceremony slated for March 21, 2012 will honor the best personalities in the field of governmental management, economy, science and culture with the prestigious International Socrates Award. It will take place in traditional style at the Institute of Directors, one of the main centres of social and business life in London. The aim of the important event is to summarize achievements for 2011 and present awards to the best managers and companies from Europe, Asia and Africa.

Selection Process

The selection involved a tough process adjudicated by an eminent panel of experts.

The International Socrates Award Founders and the Summit Organizers such as Europe Business Assembly, Socrates Nomination Committee, Club of Rectors of Europe and the International Club of Leaders supported by powerful non-governmental organizations, professional and creative unions from 16 countries screened, shortlisted and decided the winners. The decision about award is made by the Nomination Committee based on content analysis and data of national partners, business media, embassies, trade chambers and informational agencies. The International Socrates Award legal, other rights are EBA protected UK legislation property) is the main Europe Business Assembly award.

About Europe Business Assembly

Europe Business Assembly (EBA) is an Oxford, UK based Independent Corporation for development and management of economic, social and humanitarian collaboration. As a non-governmental organization, EBA promotes transformation of state-of-the-art experience and economic practices, establishment of economic, educational, cultural, and scientific ties, creation of national business elites. Creation of a positive image of dynamically developing regions, companies and individuals in the European and global business community – such is the main mission of the EBA institutions and representative offices, and of its strategic partners: British Business Alliance, UK; the European Market Research Centre (EMRC), Belgium; the International Congress of Industrialists and Entrepreneurs (ICIE), Russia; and many others.
