MindTree Endorses Launch of Microsoft SharePoint Server 2010

Takes early lead in building solutions on the latest release of SharePoint Server; New features provide great benefits to customers in the Portal and Collaboration space

Bangalore, India, May 12, 2010: MindTree Ltd., global IT Solutions Company, today announced its support for the launch of Microsoft® SharePoint® Server 2010. As a member of Microsoft Corp.'s Technology Adoption Program, MindTree has developed solutions on SharePoint Server 2010 leveraging new features of the product.

MindTree, a Microsoft Gold Certified Partner and Microsoft Services Ready Partner for "Search + Portals and Collaboration", has developed deep expertise in delivering solutions on Microsoft SharePoint Server since the release of SharePoint Portal 2003. MindTree offers services in architecture definition, SharePoint Server governance, capacity planning, migration and application development for intranet, Internet, extranet and transactional web sites. MindTree's SharePoint Excellence Group has been actively working on the prerelease version of SharePoint Server 2010 to provide valuable inputs to Microsoft and develop solutions for its customers across several vertical industries.

"The combination of Microsoft SharePoint Server 2010 and MindTree services gives customers new ways to work together and increase productivity," said Meera Mehta, Director of SharePoint Partner Marketing at Microsoft Corp. "MindTree's services complement the features and functionality in SharePoint Server 2010, allowing collaboration across the applications that people already know and use."
