Press Release

MindTree Recognized Among Top Industry Leaders in IT Services and Product Engineering

MindTree recognized among world's leading outsourcing providers by Global Services media and National Association of Software and Service Companies (NASSCOM)

Bangalore, India, September 15, 2010: MindTree Ltd., a global IT Solutions Company, today announced that it has been ranked among the top global outsourcing companies in two recently published industry studies. MindTree has been named among the top 100 global outsourcing companies by *Global Services* media and NeoAdvisory, on the 2010 Global Services 100 (GS100) list, and has also been recognized among the top 20 IT Services Exporters by the National Association of Software and Service Companies (NASSCOM) for 2009-2010.

"MindTree is delighted to once again be named to these distinguished industry rankings produced by *Global Services* and NASSCOM," said Krishnakumar Natarajan, CEO and Managing Director, MindTree Limited. "These honors testify to MindTree's operational excellence, the breadth and quality of our IT services and product engineering offerings, and our ability to bring business value to our customers."

Marking its fifth consecutive year on the GS100 list, in 2010 MindTree ranked among the top vendors in four categories, including Application Development and Maintenance (ADM); Engineering Services; IT Outsourcing; and Specialty Product Engineering. The GS100 recognizes the top 100 IT and BPO service providers based on management excellence, customer maturity, global delivery maturity and breadth of services portfolio.

MINDTREE LIMITED BANGALORE

In the 2009-2010 NASSCOM listing of the Top 20 IT Software and Services Exporters in India (excluding BPO), MindTree was ranked #13, moving up one place from 2008-09. The listing is based on the revenue generated by exports.
