Dear Sir,

Scrip Code: NAGAFERT

Sub: Intimation about the plant operations

Ref: Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

We would like to bring to your kind notice that the company had taken plant maintenance activities on July 4, 2018. The shutdown had to be extended due to inadequate working capital on account of Direct Benefit Transfer (DBT) and accumulated losses arising out of the earlier GAIL accident. The company is in the process of sorting out the working capital issues with the bankers to restart the plant.

We shall keep posted the developments.

Thanking you

Yours truly,
For Nagarjuna Fertilizers And Chemicals Limited

K Chandra Sekhar Naidu
Company Secretary
