B) Login Method for e-Voting and joining virtual meeting for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.

How to Log-in to NSDL e-Voting website?

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon “Login” which is available under ‘Shareholder/Member’ section.
3. A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen.
Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.
4. Your User ID details are given below :

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your user ID is 12*****
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

5. Password details for shareholders other than Individual shareholders are given below:
 - a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
 - b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the ‘initial password’ which was communicated to you. Once you retrieve your ‘initial password’, you need to enter the ‘initial password’ and the system will force you to change your password.
 - c) How to retrieve your ‘initial password’?
 - (i) If your email ID is registered in your demat account or with the company, your ‘initial password’ is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your ‘User ID’ and your ‘initial password’.
 - (ii) If your email ID is not registered, please follow steps mentioned below in **process for those shareholders whose email ids are not registered.**

6. If you are unable to retrieve or have not received the “Initial password” or have forgotten your password:
 - a) Click on “**Forgot User Details/Password?**”(If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - b) **Physical User Reset Password?**” (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.com mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
 - d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
7. After entering your password, tick on Agree to “Terms and Conditions” by selecting on the check box.
8. Now, you will have to click on “Login” button.
9. After you click on the “Login” button, Home page of e-Voting will open.

Step 2: Cast your vote electronically and join General Meeting on NSDL e-Voting system.

How to cast your vote electronically and join General Meeting on NSDL e-Voting system?

1. After successful login at Step 1, you will be able to see all the companies “EVEN” in which you are holding shares and whose voting cycle and General Meeting is in active status.
2. Select “EVEN” of company for which you wish to cast your vote during the remote e-Voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on “VC/OAVM” link placed under “Join Meeting”.
3. Now you are ready for e-Voting as the Voting page opens.
4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on “Submit” and also “Confirm” when prompted.
5. Upon confirmation, the message “Vote cast successfully” will be displayed.
6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.

7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to gk.sons@hotmail.com with a copy marked to evoting@nsdl.com. Explanatory Statement pursuant to section 102(1) of the Companies act, 2013

Item No: 4

Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (‘Listing Regulations’) read with the Company’s Policy on Related Party Transactions, effective 1st April, 2022, provides that entering into material related party transactions which, either individually or taken together with previous transaction(s) during a financial year, exceed Rs 1,000 crores or 10% of the annual consolidated turnover of the Company as per the last audited financial statements, whichever is lower, requires approval of the Members of the Company. The Company, in order to furtherance its business interests, enters into various transactions with its related parties. Amongst these transactions, the estimated value of transactions with the related parties under Regulation 2(1) (zb) of the Listing Regulations, during the financial year 2024-25 is expected to exceed the materiality threshold as stated above. Accordingly, the Board of Directors of the Company (‘the Board’) at the meeting held on 29th May, 2024, on the recommendation of the Audit Committee, recommended for the approval of the Members, entering into material related party transactions with the related parties, during the financial year 2024-25, as set out in the Resolution. These transactions will be entered in the ordinary course of business and on arm’s length basis. Other details of the transactions, pursuant to the SEBI Circular No. SEBI/HO/CFD/CMD1/CIR/P/2021/662 dated 22nd November, 2021, are given hereunder.

The Board recommends the resolution, as set out in item no. 4 of notice convening the forthcoming Annual General Meeting, for approval of the members as Special resolution.

Except Mr. Sushil Patwari and Mr. Sunil Ishwarlal Patwari, none of the other Directors of Key Managerial Personnel of the Company or their relatives are concerned or interested, financially or otherwise in Resolution No. 4.

Item No: 5

Mr. Sushil Patwari whose period of office was liable to retirement by rotation and who had expressed his consent for re-appointment, in accordance with the provisions of Section 152 and other applicable provisions of the Companies Act, 2013 and rules made thereunder, had been re-appointed Mr. Sushil Patwari as Wholetime Director at the 28th Annual General Meeting of the Company. Mr. Sushil Patwari, Wholetime Director of the Company will attain the age of 70 years on 20th September, 2024. Therefore, the Company seeks consent of the members by way of Special resolution for continuation of his holding of existing office after the age of 70 years during the currency of his term of appointment under the provisions of Section 196 of the Companies Act, 2013. The Board therefore recommends the Special Resolution for your approval.

Mr. Sushil Patwari is a B.Com graduate. He is an industrialist having rich business experience of over 35 years, a renowned personality in his field. Accordingly, looking at his expertise and long experience of business, the Board of Directors recommend the Special resolution set out in item no. 5 of the accompanying notice for the approval of the members. The Board is of the view that continued association of Mr. Sushil Patwari would benefit the Company, given the knowledge, experience and performance of Mr. Sushil Patwari and contribution to Board

processes by him. In the opinion of the Board, Mr. Sushil Patwari fulfills the conditions specified in the Act, the Rules thereunder and the Listing Regulations, 2015 for appointment as an Wholetime Director.

The details required under Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard – 2 is enclosed as Annexure to the notice.

The Board recommends the resolution, as set out in item no. 5 of notice convening the forthcoming Annual General Meeting, for approval of the members as Special resolution.

Except Mr. Sushil Patwari and Mr. Sunil Ishwarlal Patwari, none of the other Directors of Key Managerial Personnel of the Company or their relatives are concerned or interested, financially or otherwise in Resolution No. 5.

Item No: 6

The Board on the recommendation of the Nomination and Remuneration Committee (NRC) and pursuant to the performance evaluation of Mr. Sunil Ishwarlal Patwari as a Member of the Board and considering his background, experience and contribution, which would be beneficial to the Company, at its meeting held on Monday 12th August, 2024, approved his re-appointment as Managing Director of the Company, for a period of 5 years, i.e. w.e.f. 1st June 2025, subject to approval of the Members on the following terms and conditions including remuneration:

Remuneration:

(a) Salary:

As Managing Director of the Company, Mr. Patwari shall not draw any remuneration, directly or indirectly, whatsoever, from the Company.

(b) Perquisites:

i) Reimbursement of Entertainment/Travelling Expenses

Reimbursement of all entertainment, travelling, hotel and other expenses incurred by Mr. Sunil Ishwarlal Patwari during the course of his employment in connection with the business of the Company.

ii) Sitting Fee

Sitting fee shall not be paid to Mr. Sunil Ishwarlal Patwari for attending the meetings of the Board of Directors of the Company or any Committee thereof.

Mr. Sunil Ishwarlal Patwari is a Director by profession and has more than 35 years of experience in the industry. Moreover he has been associated with the Company since inception. His contribution to the growth of the Company has been immense.

Brief resume of Mr. Sunil Ishwarlal Patwari as required under Regulation 36 of SEBI (LODR) Regulations, 2015 forms part of Annexure to the Notice of the Annual General Meeting of the Company.

The above may be treated as extract of the terms of reappointment of Mr. Sunil Ishwarlal Patwari as Managing Director of the Company as per Section 190 of the Companies Act, 2013.

Item no: 7

Mr. Santosh Harkchand Somani (DIN: 02894841), was appointed as Independent Director on the Board of the Company pursuant to the provisions of Section 149 of the Act read with the Companies (Appointment and Qualification of Directors) Rules, 2014 and relevant regulations of SEBI (LODR) Regulations, 2015. He holds office as Independent Directors of the Company up to the 31st March, 2025. The Nomination and Remuneration Committee of the Board of Directors at their meeting held on 12th August, 2024, on the basis of the report of performance evaluation of Independent Directors, has recommended re-appointment of Mr. Santosh Harkchand Somani (DIN: 02894841), as Independent Director for second consecutive term of 5 (five) years on the Board of the Company w.e.f 01.04.2025 to 31.03.2030.

The Board as per the recommendation of the Nomination and Remuneration Committee, considers that, given his background and experience and contribution made by him during his tenure, the continued association of Mr. Santosh Harkchand Somani would be beneficial to the Company and it is desirable to continue to avail his services as Independent Director. Accordingly, it is proposed to re-appoint Mr. Santosh Harkchand Somani as Independent Director of the Company, not liable to retire by rotation , and to hold office for a second consecutive term of 5 (five) years on the Board of the Company.

Section 149 of the Act and provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”), inter alia, prescribe that an independent director of a company shall meet the criteria of independence as provided in Section 149(6) of the Act. Mr. Somani meets the criteria. Section 149(10) of the Act provides that an independent director shall hold office for a term of up to five consecutive years on the Board and shall be eligible for re-appointment on passing of a special resolution by the company for another term of five years and disclosure of such appointment in its Board’s report. Section 149(11) provides that an independent director shall not hold office for up to more than two consecutive terms. Mr. Santosh Harkchand Somani is not disqualified from being appointed as Director in terms of Section 164 of the Act and has given his consent to act as Director. The Company has also received declaration from him that he meets the criteria of independence as prescribed both under sub-section (6) of Section 149 of the Act and under the Listing Regulations. In the opinion of the Board, Mr. Santosh Harkchand Somani fulfills the conditions for appointment as Independent Director, as specified in the Act, and the Listing Regulations and he is independent of the management. Details of Santosh Harkchand Somani whose re-appointment as Independent Director is proposed at Item Nos. 7 is provided in the notes under the heading ‘Annexure to the Notice’ pursuant to the provisions of the Listing Regulations. In view of introduction of Regulation 17(1a) of SEBI (LODR) Regulations 2015, the Company seeks prior approval of the members of the company by way of special resolution for 2nd consecutive term of appointment of Mr Santosh Harkchand Somani as Independent Director, The Board recommends the resolution, as set out in item no. 7 of notice convening the forthcoming Annual General Meeting, for approval of the members as Special Resolution.

Except Mr. Santosh Harkchand Somani, no other Directors and KMP of the Company and their relatives are in any way concerned or interested, financially or otherwise in Resolution no. 7 of the notice.

Item No: 8

Mr. Amitava Mazumder (holding DIN 06441635), was appointed as Independent Director on the Board of the Company pursuant to the provisions of Section 149 of the Act read with the Companies (Appointment and Qualification of Directors) Rules, 2014 corresponding to erstwhile Clause 49 of the listing Agreement with the stock exchanges. He holds office as Independent Directors of the Company up to the 31st March, 2025. The Nomination and Remuneration Committee of the Board of Directors at their meeting held on 12th August, 2024, on the basis of the report of performance evaluation of Independent Directors, has recommended re-appointment of Mr. Amitava Mazumder (DIN: 06441635), as Independent Director for second consecutive term of 5 (five) years on the Board of the Company w.e.f 01.04.2025 to 31.03.2030.

The Board as per the recommendation of the Nomination and Remuneration Committee, considers that, given his background and experience and contribution made by him during his tenure, the continued association of Mr. Amitava Mazumder would be beneficial to the Company and it is desirable to continue to avail his services as Independent Director. Accordingly, it is proposed to re-appoint Mr. Amitava Mazumder as Independent Director of the Company, not liable to retire by rotation, and to hold office for a second consecutive term of 5 (five) years on the Board of the Company.

Section 149 of the Act and provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”), inter alia, prescribe that an independent director of a company shall meet the criteria of independence as provided in Section 149(6) of the Act. Mr. Amitava Mazumder meets the criteria. Section 149(10) of the Act provides that an independent director shall hold office for a term of up to five consecutive years on the Board and shall be eligible for re-appointment on passing of a special resolution by the company for another term of five years and disclosure of such appointment in its Board’s report. Section 149(11) provides that an independent director shall not hold office for up to more than two consecutive terms. Mr. Amitava Mazumder is not disqualified from being appointed as Director in terms of Section 164 of the Act and has given his consent to act as Director. The Company has also received declaration from him that he meets the criteria of independence as prescribed both under sub-section (6) of Section 149 of the Act and under the Listing Regulations. In the opinion of the Board, Mr. Amitava Mazumder fulfills the conditions for appointment as Independent Director, as specified in the Act, and the Listing Regulations and he is independent of the management. Details of Mr. Amitava Mazumder whose re-appointment as Independent Director is proposed at Item Nos. 8 is provided in the notes under the heading ‘Annexure to the Notice’ pursuant to the provisions of the Listing Regulations. In view of introduction of Regulation 17(1a) of SEBI (LODR) Regulations 2015, the Company seeks prior approval of the members of the company by way of special resolution for 2nd consecutive term of appointment of Mr. Amitava Mazumder as Independent Director. The Board recommends the resolution, as set out in item no. 8 of notice convening the forthcoming Annual General Meeting, for approval of the members as Special Resolution.

Except Mr. Amitava Mazumder, no other Directors and KMP of the Company and their relatives are in any way concerned or interested, financially or otherwise in Resolution no. 8 of the notice.

Item No: 9

Mr. Rajendra Mahavirprasad Ruia (holding DIN: 01300823), was appointed as an Additional Independent Director by the Board at its meeting held on 12th August, 2024, on the recommendation of Nomination and Remuneration Committee. As per the provisions of Section 161(1) of the Companies Act, 2013, Mr. Rajendra Mahavirprasad Ruia can hold office only up to the date of ensuing Annual General Meeting of the Company. He has accorded his consent to act as director and has submitted the declaration of independence, pursuant to section 149(7) of the Companies Act, 2013 stating that he meets the criteria of independence as provided in section 149(6) and regulation 25(8) of SEBI LODR Regulations, 2015. He is not disqualified from being appointed as a

director in terms of section 164 of the Act. In respect of his appointment, a notice in writing in the prescribed manner, as required under section 160 of the Act and Rules made thereunder, has been received by the Company, regarding his candidature for the office of director.

According to section 152 of the Companies Act, 2013, read with Schedule IV to the Act, in the opinion of the Board, his appointment as an independent director fulfils the conditions specified in the Act and the Rules made thereunder as also the SEBI Listing Regulations, 2015 and that the said appointment is independent of the Management. The terms and conditions of his appointment shall be open for inspection at the registered office of the Company by any member during normal business hours and the same shall also be available at the Company's website. The Board of Directors recommends the above resolution for the approval of the members as Special Resolution. Details of Mr. Rajendra Mahavirprasad Ruia (holding DIN: 01300823) whose appointment as an Independent Director is proposed at Item Nos. 9 is provided in the notes under the heading 'Annexure to the Notice' pursuant to the provisions of the Listing Regulations.

Save and except Mr. Rajendra Mahavirprasad Ruia, no Director or Key Managerial Personnel of the Company and their relatives are concerned or interested directly or indirectly in the resolution set out under Item no. 9.

ANNEXURE –“A” TO DIRECTORS’ REPORT

Management Discussion and Analysis

1. Economic Outlook

(a) Global Economy

The global economy is continuing growing at a modest pace, according to the OECD’s latest Economic Outlook. The Economic Outlook projects steady global GDP growth of 3.1% in 2024, the same as the 3.1 % in 2023, followed by a slight pick-up to 3.2% in 2025.

The impact of tight monetary conditions continues being felt, particularly in housing and credit markets, but global activity is proving relatively resilient, the decline in inflation continues, and private sector confidence is improving.

The OECD unemployment rate stood at 4.9% in February, close to its lowest levels since 2001. Real incomes are rising in many OECD countries as inflation moderates, and trade growth has turned positive. The outlook continues to differ across countries, with weaker outcomes in many advanced economies, especially in Europe, and strong growth in the United States and many emerging market economies.

Headline inflation in the OECD is projected to gradually ease from 6.9% in 2023 to 5.0% in 2024 and 3.4% in 2025, helped by tight monetary policy and fading goods and energy price pressures. By the end of 2025, inflation is expected to be back on central bank targets in most major economies.

(b) Indian Economy

The Indian economy remains robust and stable, demonstrating resilience in the face of geopolitical challenges. The headline inflation rate is under control, though some specific items remain elevated. The trade deficit in Financial Year 2024- 2025 was lower compared to Financial Year 2023-2024, with the current account deficit around 0.7% of GDP. Foreign exchange reserves remain ample.

India’s economy carried forward the momentum it built in Financial Year 2023-2024 into Financial Year 2024- 2025 despite a gamut of external challenges. India’s real GDP grew by 8.2 per cent in Financial Year 2023-2024, exceeding 8 per cent mark in three out of four quarters of Financial Year 2023-2024. The focus on maintaining macroeconomic stability ensured that external challenges had minimal impact on India’s economy. The Government’s thrust on capex and sustained momentum in private investment has boosted capital formation growth. Gross Fixed Capital Formation increased by 9 per cent in real terms in Financial Year 2023-24.

The fiscal balances of the general government have improved progressively despite expansionary public investment. Tax compliance gains driven by procedural reforms, expenditure restraint, and increasing digitisation helped India achieve this fine balance. The Central Government’s timely policy interventions and the Reserve Bank of India’s price stability measures helped maintain retail inflation at 5.4 per cent - the lowest level since the pandemic. Core inflation dropped to a four-year low in Financial Year 2023-2024. Eased to a nine-year low in Financial Year 2023-2024.

Inflation remains the biggest concern both due to its impact on demand and due to its impact on margins and profitability. Supply concerns and surge in input costs can force India Inc’s hand on prices, which would impact affordability and therefore demand which would not be ideal as private consumption accounts for around 60% of the gross domestic product. Regional GDP is projected to grow by 5.8% in 2024 (an upward revision of 0.6 percentage points since January) and 5.7% in 2025, below the 6.2% recorded in 2023.

Your Company will continue to look for opportunities to invest in companies which have consistent growth prospects with high quality earnings. In new age companies where valuations are a concern and whose earnings will fructify at a later stage in their development, the Company has made a small allocation of capital.

2. Future Outlook

According to CRISIL –the Indian economy expects moderate to 6.4% growth in the next financial year, with a need to monitor the impact of the Middle East conflict on energy and logistics costs. The Indian economy is anticipated to experience a consistent growth of 6.7 percent annually from 2024 to 2031. This projection slightly surpasses the pre-pandemic average of 6.6 percent as per CRISIL.

CRISIL attributes this growth trend to capital, highlighting the government's investment-driven approach during a period when the private sector hesitated to make substantial investments. The government's notable increase in capital expenditure, supporting infrastructure projects and offering interest-free loans to state. After achieving a robust 7.3 percent growth in the current fiscal year, CRISIL predicts a moderation to 6.4 percent in the next financial year. Additionally, the report emphasises the importance of monitoring the Middle East conflict's impact on energy and logistics costs.

CRISIL research has projected oil prices extended losses slightly from the previous session in early Asian trading after an industry report showed builds in U.S. crude and fuel stockpiles, adding to concerns around demand growth. Brent crude futures fell 14 cents, or 0.2%, to USD 77.38 a barrel by 0005 GMT. U S. West Texas Intermediate crude futures fell 18 cents, or 0.3%, to USD 73.07 a barrel.

While economic growth in FY2024-2025 will be driven by expected normal monsoon, higher public investment and private capex in select pockets supported by the Government's PLI scheme (Production Linked Incentive scheme), there will be headwinds from the global economic slowdown and higher commodity, especially oil prices. India's annual consumer price index (CPI) inflation rate was 4.75% year-on-year, with 5.28% in rural areas and 4.15% in urban areas. This was the slowest increase in consumer prices in a year, and below market expectations of 4.9%. The Reserve Bank of India (RBI) projects inflation for the rest of 2024–2025 to be 4% in Q2FY25, 4.6% in Q3FY25, and 4.7% in Q4FY25. They also project real GDP growth at 6.5% for the financial year. The CPI factors depends on four factors as mentioned below:

1. If crude oil price averages more than \$90 per barrel;
2. Pressure on core inflation from rising international prices of metals and minerals;
3. Pressure on food prices from elevated costs of edible oils and fertilisers; and
4. Imported inflation due to weak rupee.

3. Industry Structure and Developments

NBFCs have become important constituents of the financial sector and have been recording higher credit growth than scheduled commercial banks (SCBs) over the past few years. NBFCs are leveraging their superior understanding of regional dynamics and customised products and services to expedite financial inclusion in India. Lower transaction costs, quick decision making, customer orientation and prompt service standards have typically differentiated NBFCs from banks. Considering the reach and expanse of NBFCs, they are well-suited to bridge the financing gap in a large country like India. Systemically Important NBFCs have demonstrated agility, innovation, and frugality to provide formal financial services to millions of Indians.

Care Edge Rating findings reveal a robust annual growth in gross bank credit off which rose by 15.5% year on year (y-o-y) in February 2023. This surge was observed across all sectors, with Non-Banking Financial Companies (NBFCs) and unsecured personal loans segments particularly driving the momentum. Notably, personal loans experienced accelerated growth, reaching 20.4% y-o-y in February 2023, up from 12.5% in the previous year. This surge was attributed to increased demand for other personal loans, credit cards, housing, and vehicle loans.

This is an enviable track record despite the business models of the NBFCs being severely tested by four large external events in the last few years, namely, (i) demonetization, (ii) GST implementation, (iii) failure of few large NBFCs, and (iv) the pandemic. The fact that many NBFCs have managed to overcome these stresses without significant impact on financial position is a testimony to their resilience and agility.

Given the systemic risks that the sector poses, the RBI issued 'Scale Based Regulation (SBR): A Revised Regulatory Framework for NBFCs' on 22 October 2021 to make the financial sector sound and resilient while allowing a majority of NBFCs to continue under the regulation-light structure. The objective behind this scale based approach is the principle of proportionality for regulating the non-banking financial companies. The purpose is to calibrate the degree of regulatory prescriptions based on the systemic importance of NBFCs and the contagion risk they pose to other entities in the financial system.

The regulatory vigil over the NBFCs continues with focus on four key cornerstones of (i) responsible financial innovation, (ii) accountable conduct, (iii) responsible governance, and (iv) centrality of the customer. We believe that NBFCs with superior capital adequacy, better margins, frugal cost management, prudent risk management and those incorporating above four key cornerstones in their business models will continue to deliver sustainable growth in the foreseeable future.

4. Opportunities and Threats

The success of any organization depends on its ability to identify strengths and opportunism and leverage them while mitigating the risk that arise while conducting the business. 3RD FLOOR KOLKATA
WB 700001 IN

We have examined the compliance of the conditions of Corporate Governance by Nagreeka Capital & Infrastructure Limited (hereinafter referred to as 'the Company') for the year ended March 31, 2024, as stipulated in the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('the Listing Regulations').

The compliance of the conditions of Corporate Governance is the responsibility of the management. Our examination was limited to a review of procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, and the representations made by the Directors and the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the Listing Regulations during the year ended March 31, 2024.

We state that no investor's grievance/complaint has been pending unresolved as on March 31, 2024.

We state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

INDEPENDENT AUDITOR’S REPORT

TO THE MEMBERS OF NAGREEKA CAPITAL & INFRASTRUCTURE LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **Nagreeka Capital & Infrastructure Limited** (“the Company”), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, the income and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor’s Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Emphasis of Matter

We draw attention to the fact that the Company has recognised deferred tax assets as March 31, 2024 amounting to ₹3254.08 Lacs. The said deferred tax has been created mainly on account of carry forward of business losses and as per explanation given to us by the management, there is virtual certainty of future profits based on which such deferred tax assets has been created. Hence any material effect due to same cannot be ascertained currently.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged With Governance for the Standalone Financial Statement

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

c) The Balance Sheet, the Statement of Profit and Loss and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.

d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure A”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.

g) With respect to the other matters to be included in the Auditors’ Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements as stated in Note No 32 to the Ind AS financial statements.

ii. The Company did not have any long-term contracts but had outstanding derivative contracts as at March 31, 2024 for which the provision has been made, as required under the applicable law or accounting standards, for material foreseeable losses, if any.

iii. There were no amounts, which were required to be transferred, to the Investor Education and Protection Fund by the Company.

iv) (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v) The Company has not declared or paid any dividend during the year, therefore compliance of the provision under section 123 of the Companies Act, 2013 is not applicable.

vi) Based on our examination, which included test checks, the Company has used accounting softwares for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the softwares. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure - A to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Nagreeka Capital & Infrastructure Limited** ("the Company") as of 31st March 2024 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Description of reserves in statement of changes in equity

i) General Reserve:

General reserve is created and utilised in compliance with the provisions of the Act.

ii) Retained Earnings:

Retained earnings represents accumulated profits earned by the company and remaining undistributed as on date.

iii) Capital Reserve

Capital Reserve created pursuant to the demerger of the Nagreeka Exports Ltd, it's a free reserve hence will be used as per provision of the act.

iv) Security Premium

This reserve is used to record the premium on issue of shares. The reserve is available for utilisation in accordance with the provisions of the Act.

v) Statutory Reserve as per RBI Guidelines for NBFC

Statutory Reserve represent reserve created wherein sum not less than twenty percent of its net profit is being transferred to the reserve.

vi) Other Comprehensive Income:

The Company has elected to recognise changes in the fair value of certain investments in equity instruments through other comprehensive income. These changes are accumulated within the FVTOCI equity investments reserve. The Company transfers amounts from this reserve to retained earnings when the relevant equity securities are derecognised.

1. CORPORATE INFORMATION:

The Company was incorporated on 31st October, 1994 under the laws of republic of India and has its registered office at Kolkata, West Bengal and its shares are publicly traded on the Bombay Stock Exchange (BSE) and National Stock Exchange (NSE) in India. The Company is engaged in the business of trading in shares and securities, derivatives etc. The Company obtained permission from the Reserve Bank of India for carrying on the business of Non-Banking Financial Institutions without accepting deposit in September 2008 vide Regn No. N.05.06774.

2. BASIS OF ACCOUNTING**A) Statement of Compliance**

These financial statements have been prepared in accordance with the Indian Accounting Standards ("Ind AS") as prescribed by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ("the Act"), read with the Companies (Indian Accounting Standards) Rules, 2015 (as amended), other relevant provisions of the Act and other accounting principles generally accepted in India.

The standalone financial statements are approved for issue by the Company's Board of Directors at their meeting held on May 29, 2024. The same shall be placed before the ensuing annual general meeting for the approval of the shareholders.

B) Basis of Preparation of Financial Statements

These Standalone financial statements are prepared in accordance with Indian Accounting Standard (Ind AS) under the historical cost convention on accrual basis except for certain financial instruments, which are measured at fair values, the provisions of the Companies Act, 2013 ("the Act"). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. The Material accounting policy information used in preparation of the audited Standalone financial statements have been discussed in the respective notes.

As the year to date figures are taken from the source and rounded to the nearest digits, the figures reported for the previous quarters might not always add up to the year to date figures reported in this statement.

C) Use of estimates and critical accounting judgements

The preparation of the financial statements require the use of accounting estimates which, by definition, will seldom equal the actual result. Management also needs to exercise judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a high degree of judgement or complexity, and of items which are more likely to be significantly adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

D) Critical estimates and judgements

The areas involving critical estimates and judgements are:

i) Taxation

The Company is engaged in non banking financial activities and also subject to tax liability under MAT provisions. Significant judgement is involved in determining the tax liability for the Company. Also there are many transactions and calculations during the ordinary course of business for which the ultimate tax determination is uncertain. Further judgement is involved in determining the deferred tax position on the balance sheet date.

ii) Depreciation and amortisation

Depreciation and amortisation is based on management estimates of the future useful lives of the property, plant and equipment and intangible assets. Estimates may change due to technological developments, competition, changes in market conditions and other factors and may result in changes in the estimated useful life and in the depreciation and amortisation charges.

iii) Employee Benefits

The present value of the defined benefit obligations and long term employee benefits depends on a number of factors that are determined on an actuarial basis using a number of assumptions. The assumptions used in determining the net cost (income) include the discount rate. Any changes in these assumptions will impact the carrying amount of defined benefit obligations.

The Company determines the appropriate discount rate at the end of each year. This is the interest rate that should be used to determine the present value of estimated future cash outflows expected to be required to settle the obligations. In determining the appropriate discount rate, the Company considers the interest rates of Government securities that have terms to maturity approximating the terms of the related defined benefit obligation. Other key assumptions for obligations are based in part on current market conditions.

iv) Provisions and Contingencies

Provisions and contingencies are based on Management's best estimate of the liabilities based on the facts known at the balance sheet date.

v) Impairment charges on loans and advances

The measurement of impairment losses requires judgement, in particular, the estimation of the amount and timing of future cash flows and collateral values when determining impairment losses and the assessment of a significant increase in credit risk. These are based on the assumptions which are driven by a number of factors resulting in future changes to the impairment allowance.

A collective assessment of impairment takes into account data from the loan portfolio (such as credit quality, nature of assets underlying assets financed, levels of arrears, credit utilization, loan to collateral ratios etc.), and the concentration of risk and economic data (including levels of unemployment, country risk and performance of different individual groups). These significant assumptions have been applied consistently to all period presented.

vi) EIR method

The Company's EIR methodology, recognises interest income / expense using a rate of return that represents the best estimate of a constant rate of return over the expected behavioural life of loans given / taken and recognises the effect of potentially different interest rates at various stages and other characteristics of the product life cycle (including prepayments and penalty interest and charges).

This estimation, by nature, requires an element of judgement regarding the expected behaviour and life-cycle of the instruments, as well expected changes to India's base rate and other fee income/expense that are integral parts of the instrument.

3. MATERIAL ACCOUNTING POLICY

A) Property, Plant and equipment

An item of property, plant and equipment is recognised as an asset if it is probable that the future economic benefits associated with the item will flow to the Company and its cost can be measured reliably. This recognition principle is applied to the costs incurred initially to acquire an item of property, plant and equipment and also to costs incurred subsequently to add to, replace part of, or service it. All other repair and maintenance costs, including regular servicing, are recognised in the statement of profit and loss as incurred. When a replacement occurs, the carrying value of the replaced part is de-recognised. Where an item of property, plant and equipment comprises major components having different useful lives, these components are accounted for as separate items.

The estimated useful lives of assets are as follows:

Nature of Assets	Estimated Useful Life
Office & Electrical Equipments	10 Years
Furniture & Fixtures	10 Years
Computers	3 Years
Mobile Phone	6 Years
Office Premises	50 Years

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment. Cost includes all direct costs and expenditures incurred to bring the asset to its working condition and location for its intended use. Trial run expenses (net of revenue) are capitalised. Borrowing costs incurred during the period of construction is capitalised as part of cost of the qualifying assets.

The gain or loss arising on disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of profit and loss.

B) Intangibles

Subsequent to initial recognition, intangible assets with definite useful lives are reported at cost less accumulated amortisation and accumulated impairment losses.

C) Depreciation and amortisation of property, plant and equipment and intangible assets

Depreciation is provided on prorata basis on straight line method at the rates determined based on estimated useful lives of tangible assets where applicable, specified in Schedule II to the Act. These charges are commenced from the dates the assets are available for their intended use and are spread over their estimated useful economic lives or, in the case of leased assets, over the lease period, if shorter. The estimated useful lives of assets and residual values are reviewed regularly and, when necessary, revised. No further charge is provided in respect of assets that are fully written down but are still in use. Depreciation on assets under construction commences only when the assets are ready for their intended use.

D) Impairment

Tangible and Intangible Assets

At each balance sheet date, the Company reviews the carrying values of its property, plant and equipment and intangible assets to determine whether there is any indication that the carrying value of those assets may not be recoverable through continuing use. If any such indication exists, the recoverable amount of the asset is reviewed in order to determine the extent of impairment loss (if any). Where the asset does not generate cash flows that are independent from other assets, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted. An impairment loss is recognised in the statement of profit and loss as and when the carrying value of an asset exceeds its recoverable amount.

Where an impairment loss subsequently reverses, the carrying value of the asset (or cash generating unit) is increased to the revised estimate of its recoverable amount so that the increased carrying value does not exceed the carrying value that would have been determined had no impairment loss been recognised for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognised in the statement of profit and loss immediately.

E) Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognised in the statement of profit and loss.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

a) Financial assets

Cash and bank balances

Cash and bank balances consist of:

(i) **Cash and cash equivalents** - which includes cash in hand, deposits held at call with banks and other short term deposits which are readily convertible into known amounts of cash, are subject to an insignificant risk of change in value and have maturities of less than one year from the date of such deposits. These balances with banks are unrestricted for withdrawal and usage.

(ii) **Other bank balances** - which includes balances and deposits with banks that are restricted for withdrawal and usage.

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets measured at fair value

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Company in respect of equity investments (other than in subsidiaries, associates and joint ventures) which are not held for trading has made an irrevocable election to present in other comprehensive income subsequent changes in the fair value of such equity instruments. Such an election is made by the Company on an instrument by instrument basis at the time of initial recognition of such equity investments.

Financial asset not measured at amortised cost or at fair value through other comprehensive income is carried at fair value through the statement of profit and loss.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets:

- Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits and trade receivables
- Financial assets that are debt instruments and are measured as at FVTOCI
- Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, the Company reverts to recognising impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date. ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cashflows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/expense in the statement of profit and loss. This amount is reflected under the head 'other expenses' in the statement of profit and loss. The balance sheet presentation for various financial instruments is described below:

Financial assets measured as at amortised cost: ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

Debt instruments measured at FVTOCI: Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. Rather, ECL amount is presented as 'accumulated impairment amount' in the OCI.

For assessing increase in credit risk and impairment loss, the Company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

The Company does not have any purchased or originated credit-impaired (POCI) financial assets, i.e., financial assets which are credit impaired on purchase/ origination.

Derecognition of financial assets

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

b) Financial liabilities and equity instruments

Classification as debt or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Financial Liabilities

Trade and other payables are initially measured at fair value, net of transaction costs, and are subsequently measured at amortised cost, using the effective interest rate method where the time value of money is significant.

Interest bearing bank loans, overdrafts and issued debt are initially measured at fair value and are subsequently measured at amortised cost using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in the statement of profit and loss.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or they expire.

F) Valuation of Inventories

Finished goods :

Trading goods (shares & Securities) : At Cost or Net Realisable Value whichever is lower (Cost is computed using " Specific Identification Method").

G) Employee benefits

Defined contribution plans

Payments to defined contribution plans are charged as an expense as they fall due. Payments made to state managed retirement benefit schemes are dealt with as payments to defined contribution schemes where the Company's obligations under the schemes are equivalent to those arising in a defined contribution retirement benefit scheme.

Defined benefit plans

For defined benefit retirement schemes the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuation being carried out at each balance sheet date. Re-measurement gains and losses of the net defined benefit liability/(asset) are recognised immediately in other comprehensive income. The service cost and net interest on the net defined benefit liability/(asset) is treated as a net expense within employment costs.

Past service cost is recognised as an expense when the plan amendment or curtailment occurs or when any related restructuring costs or termination benefits are recognised, whichever is earlier.

The retirement benefit obligation recognised in the balance sheet represents the present value of the defined benefit obligation as reduced by the fair value plan assets.

Compensated absences

Short term compensated absences expenses are charged to the Statement of Profit and Loss in the year in which the related service is rendered.

H) Provision

Provisions are recognised in the balance sheet when the Company has a present obligation (legal or constructive) as a result of a past event, which is expected to result in an outflow of resources embodying economic benefits which can be reliably estimated. Each provision is based on the best estimate of the expenditure required to settle the present obligation at the balance sheet date. Where the time value of money is significant, provisions are measured on a discounted basis.

Constructive obligation is an obligation that derives from an entity's actions where:

- (a) by an established pattern of past practice, published policies or a sufficiently specific current statement, the entity has indicated to other parties that it will accept certain responsibilities and;
- (b) as a result, the entity has created a valid expectation on the part of those other parties that it will discharge those responsibilities.

I) Income taxes

Tax expense for the year comprises current and deferred tax. The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the statement of profit and loss because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The Company's liability for current tax is calculated using tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying values of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit and is accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences. In contrast, deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised.

The carrying value of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised based on the tax rates and tax laws that have been enacted or substantially enacted by the end of the reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to cover or settle the carrying value of its assets and liabilities.

Deferred tax assets and liabilities are offset to the extent that they relate to taxes levied by the same tax authority and there are legally enforceable rights to set off current tax assets and current tax liabilities within that jurisdiction.

Current and deferred tax are recognised as an expense or income in the statement of profit and loss, except when they relate to items credited or debited either in other comprehensive income or directly in equity, in which case the tax is also recognised in other comprehensive income or directly in equity.

Deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. MAT is recognised as deferred tax assets in the Balance Sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised.

J) Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable net of discounts, taking into account contractually defined terms and excluding taxes or duties collected on behalf of the government. Rental Income is recognised when it is earned and no significant uncertainty exists as to its realisation or collection.

Transaction price is accounted net of GST. Since GST is not received by the company on its own account, rather, it is collected by the Company on behalf of the government. Accordingly, it is excluded from revenue.

Interest Income

Interest income from financial assets is recognised by applying the Effective Interest Rate ('EIR') to the gross carrying amount of financial assets, other than credit-impaired assets and those classified as measured at Fair Value through Profit or Loss (FVTPL) or Fair Value through Other Comprehensive Income (FVOCI). Interest Income on credit impaired financial assets is recognised by applying the effective interest rate to the net amortised cost (net of provision) of the financial asset.

Dividend Income

Income from dividend is recognised when the Company's right to receive such dividend is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

K) Contributed Equity

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

L) Exceptional Items

Certain occasions, the size, type, or incidences of the item of income or expenses pertaining to the ordinary activities of the Company is such that its disclosure improves the understanding of the performance of the Company, such income or expenses are classified as an exceptional item and accordingly, disclosed in the financial statements. It includes provision against Standard Assets which is created as per RBI guideline and disclosed under statement of Profit & Loss.

M) Borrowing Costs

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds including interest expense calculated using the effective interest method, finance charges in respect of assets acquired on finance lease. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

Borrowings costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for the intended use or sale.

N) Cash and Cash Equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

O) Trade Receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment, if any.

P) Segment Reporting

Identification of Segments

The management is of the view that the business of the company predominantly falls within a single primary segment viz "Financial & Related Services" and hence there are no separate reportable segments as per Ind-AS dealing with the segment reporting.

Q) Earnings per share

Basic earnings per share is computed and disclosed using the weighted average number of equity shares outstanding during the period. Dilutive earnings per share is computed and disclosed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the period, except when the results would be anti-dilutive.

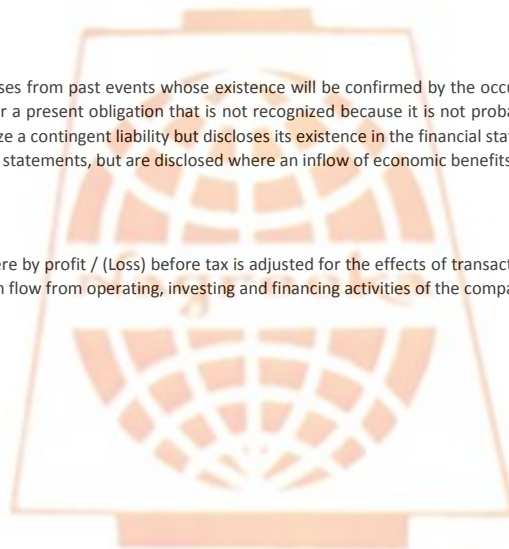

R) Contingent Liabilities and Assets

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. The company does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent assets are not recognised in the financial statements, but are disclosed where an inflow of economic benefits is probable.

S) Cash Flow

Cash Flows are reported using Indirect Method, where by profit / (Loss) before tax is adjusted for the effects of transaction of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flow from operating, investing and financing activities of the company is segregated based on the available information.

36 Defined Benefit Plan - Gratuity

The Gratuity scheme is a final salary defined benefit plan, that provides for lumpsum payment at the time of separation; based on scheme rules the benefits are calculated on the basis of last drawn salary and the period of service at the time of separation and paid as lumpsum. There is a vesting period of 5 years. The defined benefit plan is not funded with any institution like life insurance corporation of India, hence it is regared as unfunded liability.

Description of Risk Exposures .

Valuations are performed on certain basic set of pre-determined assumptions and other regulatory framework which may vary overtime. Thus, the Company is exposed to various risks in providing the above gratuity benefit which are as follows:

i) **Interest Rates Risk:** The plan exposes the Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability (as shown in financial statements).

ii) **Liquidity Risk:** This is the risk that the Company is not able to meet the short-term gratuity payouts. This may arise due to non-availability of enough cash / cash equivalent to meet the liabilities or holding of illiquid assets not being sold in time.

iii) **Salary Escalation Risk:** The present value of the defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

iv) **Demographic Risk:** The Company has used certain mortality and attrition assumptions in valuation of the liability. The Company is exposed to the risk of actual experience turning out to be worse compared to the assumption.

v) **Regulatory Risk:** Gratuity benefit is paid in accordance with the requirements of the payment of Gratuity Act, 1972 (as amended from time to time). There is a risk of change in regulations requiring higher gratuity payouts (e.g. Increase in the maximum limit on gratuity of Rs. 20,00,000/-).

38 Financial Risk Management and Policy

The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Company continues to focus on a system-based approach to business risk management. The Company's financial risk management process seeks to enable the early identification, evaluation and effective management of key risks facing the business. Backed by strong internal control systems, the current Risk Management System rests on policies and procedures issued by appropriate authorities; process of regular reviews / audits to set appropriate risk limits and controls; monitoring of such risks and compliance confirmation for the same. The Company has exposure to the following risks from financial instruments.

- Market Risk
- Credit Risk
- Liquidity Risk

a) Market risk

The Company's business primarily investing in shares, securities and units of Mutual Funds, it exposes it to the risk that the fair value or future cash flows of a financial instrument will fluctuate because of change in share market conditions. The Company closely monitors the changes in market conditions and select the sales strategies to mitigate its exposure to risk.

i) Interest rate risk

Interest rate risk refers to the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The objectives of the Company's interest rate risk management processes are to lessen the impact of adverse interest rate movements on its earnings and cash flows and to minimise counter party risks.

The Company is exposed to interest rate volatilities primarily with respect to its short terms borrowings from financial institution and others. Such volatilities primarily arise due to changes in money supply within the economy and/or liquidity in Non-banking system due to asset/liability mismatch, poor quality assets etc. of Non-banks. The Company manages such risk by operating with Non-banks having superior credit rating in the market as well as financial institutions.

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

(Rs. In Lakhs)

	Variable rate borrowings	Increase/ decrease in basis points	Effect on profit before tax	Effect on post-tax equity
31st March, 2023	10,602.46			
Amount in Rs.		+ 100	106.02	81.77
Amount in Rs.		(-) 100	(106.02)	(81.77)
31st March, 2024	8,355.54			
Amount in Rs.		+ 100	83.56	64.44
Amount in Rs.		(-) 100	(83.56)	(64.44)

ii) Price risk

Investments in the mutual fund schemes are measured at fair value. Accordingly, these do not pose any significant price risk.

b) Credit risk

Credit risk is the risk that counterparty will not meet its obligations leading to a financial loss. The Company has its policies to limit its exposure to credit risk arising from outstanding receivables. Management regularly assess the credit quality of its customer's basis which, the terms of payment are decided. Credit limits are set for each customer which are reviewed on periodic intervals.

The risk relating to trade receivables is shown under note no 5.

NAGREEKA CAPITAL & INFRASTRUCTURE LIMITED
Notes to Financial Statements for the year ended 31st March 2024

Loans to Others:

The credit worthiness of the counter party is evaluated by the management on an ongoing basis and is considered to be good.

Investment in mutual funds:

The investment in mutual funds, are entered into with credit worthy fund houses. The credit worthiness of these counter parties are evaluated by the management on an on-going basis and is considered to be good. The Company does not expect any losses from these counter parties.

Cash and Cash equivalents:

Credit risk from balances with banks is managed by the Company in accordance with the company's policy. Investment of surplus funds are made in mainly in mutual funds with good returns and within approved credit ratings.

Unquoted Investments:

The cost of unquoted investments approximate the fair value because there is a range of possible fair value measurements and the cost represents estimate of fair value within that range.

c) Liquidity risk

Liquidity risk is the risk that Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

The table below provides details regarding the remaining contractual maturities of significant financial liabilities at the reporting date.

Fair value hierarchy:

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

The investments included in Level 2 of fair value hierarchy have been valued using quotes available for similar assets and liabilities in the active market. The investments included in Level 3 of fair value hierarchy have been valued using the cost approach to arrive at their fair value. The cost of unquoted investments approximate the fair value because there is a range of possible fair value measurements and the cost represents estimate of fair value within that range.

The following table summarises financial assets and liabilities measured at fair value on a recurring basis and financial assets that are not measured at fair value on a recurring basis (but fair value disclosure are required):
