Dear Sir,

The application was submitted on April 20, 2026, along with a Detailed Project Report (DPR), for setting up a facility with a proposed capacity of 5,000 MT/ Annum and an estimated investment of ₹60 Crores.

The Company is pleased to inform the exchange that it has received our eligibility confirmation letter dated April 30, 2026 under the said scheme.

The proposed initiative marks a significant step towards black mass refining and is aligned with the Government of India's vision of strengthening domestic supply chains and reducing import dependence for critical minerals.
