Investor Release

Navin Fluorine to invest Rs. 195 crores at Dahej to set up Multi-Purpose Plant

Mumbai, 16th December 2020: Navin Fluorine International Limited, one of the largest manufacturers of fluorochemicals, today announced that its Board of Directors has approved capital expenditure for setting up of a Multi-Purpose Plant (MPP) with an outlay of Rs. 195 crores.

The capex will be undertaken by it's wholly owned subsidiary, Navin Fluorine Advanced Sciences Limited ('NFASL') at Dahej, Gujarat and will be funded through a mix of internal accruals and debt. The new capacity is expected to come on stream during H1 of FY23 and will create opportunities for new products in life science and crop science sectors in the Specialty Chemicals business.

Commenting on this, Mr. Radhesh Welling, Managing Director of Navin Fluorine International Ltd. said: "This investment will lay foundation for the next phase of growth of our Specialty Chemical business. It will help us enhance our product offerings and strengthen our customer relationships along with providing building blocks for future growth."

About Navin Fluorine International Limited:

Navin Fluorine International Ltd. is one of the largest and most respected Indian manufacturer of fluorochemicals. It belongs to the Padmanabh Mafatlal Group - one of India's oldest industrial houses. Established in 1967, Navin Fluorine operates one of the largest integrated fluorochemicals complexes in India with manufacturing locations at Surat and Dahej in Western India and Dewas in Central India and R&D centres in Surat and Dewas in India and Manchester, UK.

Navin Fluorine has four strategic business units: Refrigeration Gases, Inorganic Fluorides, Speciality Fluorides & Contract Research and Manufacturing Services (CRAMS) and is one of the few companies with experience, capability and expertise in fluorination chemistry. Navin Fluorine is a Responsible Care® Company.
