Nazara Publishing launches FAU-G: Domination at WAVES 2025

Developed by Mumbai-based Dot9 Games and published by Nazara Publishing, FAU-G: Domination is the latest chapter in the FAU-G series from nCore Games.

The game is dedicated to Bharat Ke Veer with donations pledged to the Bharat Ke Veer Trust.

Mumbai, May 1, 2025: In a defining moment for Indian game development, the highly anticipated **FAU-G: Domination** has launched on Android at the **World Audio Video Entertainment Summit 2025 (WAVES 2025)**, in the presence of nCore Group and Dot9 Games mentor Shri **Akshay Kumar**, marking a major step forward in India's journey to becoming a global powerhouse in interactive entertainment.

Developed by **Dot9 Games** and published by **Nazara Publishing**, the gaming arm of the publicly listed **Nazara Technologies**, FAU-G: Domination represents the new face of self-reliant Indian innovation. This title is the latest in the FAU-G series from **nCore Games**, and showcases India's growing leadership in building culturally relevant, globally competitive, and emotionally resonant gaming experiences.

Inspired by the valor of our soldiers and powered by the vision of Atmanirbhar Bharat, the game is now live and available for download:

Google Play Store — https://bit.ly/sm_FAU-G

A detailed roadmap outlining future content and updates will be announced soon.

The game is India's answer to global narratives, created for Indian gamers by Indian developers—and it reflects the nation's spirit, courage, and technological ambition. FAU-G: Domination goes beyond entertainment, serving as a digital tribute to the guardians of our borders and a resounding statement of India's creative strength on the global stage.

Alongside the launch, a high-impact gameplay trailer has been released, showcasing epic battles across diverse Indian terrains, immersive storytelling, and intense tactical action:

Trailer — <https://youtu.be/YB-628MrGo4>

Bharat Ke Veer Initiative

As part of its mission to fuse purpose with play, FAU-G: Domination is dedicated to Bharat Ke Veer, an initiative conceptualized by Shri Akshay Kumar, supporting the families of India's Armed Forces martyrs.

This initiative reinforces the commitment of India's gaming industry to stand in solidarity with our security forces and brings a deep sense of national purpose to digital entertainment.

Leaders Speak

Nitish Mittersain, Founder and CEO, Nazara Technologies:

"The talent, creativity, and ambition among Indian developers today are poised to make a mark not just in India, but on the global stage. As India's only publicly listed gaming company, **Nazara Technologies** is deeply committed to supporting Indian developers—partnering with them through every stage of their journey, from development to launch and beyond. We're proud to take another step forward by launching **FAU-G: Domination** in association with **Dot9 Games**, and we are excited to see the response from gamers across the world."

Vishal Gondal, Co-Founder, nCore Games:

"FAU-G: Domination is not just a game—it's a statement. A response from India's tech and creative forces that we can build for our own people and rise as a serious global player. This is our salute to the brave men and women who protect our nation, and a proud offering from India's game development ecosystem to the world."

Deepak Ail, Co-Founder and CEO, Dot9 Games:

"Indian gamers have long wanted content that speaks their language—not just literally, but emotionally and culturally. FAU-G: Domination is born out of that desire. It's proudly Indian in spirit, made for a generation ready to game with purpose"

About Nazara Publishing:

Nazara Publishing, India's first turnkey publishing platform, provides comprehensive services for both local and global game developers aiming to tap into the booming Indian gaming market. The platform offers end-to-end solutions, including market access and distribution, marketing and promotion, monetisation strategies, localisation and culturalisation, and advanced analytics. These services enable developers to focus on creating compelling content while leveraging Nazara's infrastructure to achieve commercial success.

More information on Nazara Publishing can be found at: <https://publishing.nazara.com>

About Nazara Technologies:

Nazara is India's only listed gaming and esports company, with majority ownership of several leading gaming and esports brands with presence in India, the US, and other global markets. In esports, Nazara has India's leading esports platform NODWIN Gaming and Sportskeeda/Pro Football Network in the sports media space. Nazara's offerings in the interactive gaming segment include gamified early learning ecosystems like Kiddopia and Animal Jam, India's most popular cricket simulation franchise, World Cricket Championship

(WCC), and a wide portfolio of casual games distributed through telco partnerships in many emerging markets. Additionally, Nazara controls Datawrkz, a digital ad tech company supporting its portfolio companies and external clients with demand-side user acquisition and supply-side ad monetization services.

About nCore Games:

nCore Games is India's premier mobile games and interactive entertainment company. The company develops and publishes category-defining mobile games for the Indian subcontinent and is an expert in midcore development and live operations with significant Indian market know-how and global publishing experience. Currently, the company has released four mobile games: FAU-G, ICC Cricket Mobile, Apna Games, Ram Setu: The Run, and FAU-G: Domination. For more information, visit: www.ncoregames.com.

About Dot9 Games:

Dot9 Games is India's leading gaming studio, working on various award-winning titles and the creator of FAU-G: Domination. Embracing the 'Make in India' initiative, Dot9 Games has redefined virtual entertainment with friends, family, and peer groups, leaving an indelible mark on the Indian game industry.
